New Christian Politics

Mark J. Rozell, Clyde Wilcox

New Christian Politics:

New Christian Politics David G. Bromley, Anson D. Shupe, 1984 Foreword Phillip E. Hammond Interpreting the new Christian right a commentary on the substance and process of knowledge creation Anson Shupe and David G. Bromley The new Christian right and its parent company a study in political contrasts James A. Speer The wicked shall not bear rule the fundamentalist heritage of the new Christian right Ralph Clark Chandler Support for the Moral Majority and its sociomoral platform John H. Simpson The Moral Majority viewed sociologically J. Milton Yinger and Stephen J. Cutler Public and clergy sentiments toward the Moral Majority evidence from the Dallas Fort Worth metroplex Anson Shupe and William A. Stacey Explaining the new religious right status politics and beyond Charles L. Harper and Kevin Leicht Some potential causes and consequences of the use of religion broadcasts Gary D. Gaddy Television and popular religion changes in church offerings Razelle Frankl The new Christian right and the new media Wesley E. Miller Televangelism and the future of American politics Jeffrey K. Hadden The new Christian right and the 1980 elections Robert Zwier No Hoosier hospitality for humanism the Moral Majority in Indiana Richard V. Pierard and James L. Wright The Old Right in action Mormon and Catholic involvement in an equal rights amendment referendum James T. Richardson The politics of preachers Southern Baptist ministers and Christian right activism James L. Guth Mobilizing Christians for political action campaigning with God on your side Margaret Ann Latus

The New Christian Right Robert C. Liebman, Robert Wuthnow, This book of original essays provides an objective and enlightening analysis of the emergence and changing forms of the New Christian Right The subject is in itself important in contemporary American life but in addition The New Christian Right reexamines standard theories of social movements and the relationship between religion and politics in America today The book presents findings from original research including surveys personal interviews with elites analysis of financial documents reanalysis of existing data and analysis of direct mail solicitations and other primary literature The New Christian Right is balanced and objective rather than partisan and evaluative Using non technical and non jargonistic language the authors raise questions concerning the nature of religion the role of status groups and contemporary directions in American culture

Born-again Politics Robert Zwier, 1982 Religion and politics in the 1980s The Roots of the new Christian right The Political platform of the new Christian right The Politics of interest groups The First test the 1980 elections Evangelical support for the new Christian right The new Christian right in the decade of destiny

Redeeming America Michael Lienesch, 1993 A study of Christian conservative religious and political beliefs as aspects of constructing and maintaining a world view Considering a series of spheres from the self to the family the economy the polity and the world analyzes published writings by a diversity of people adhering to the movement to reveal the overarching structure of the reality they inhabit Paper edition unseen 17 95 Annotation copyright by Book News Inc Portland OR

Who Speaks for God? Jim Wallis, 1997 Something is wrong in America Our streets are not safe Families are in crisis Corporations value profit above all else And in this time of partisan politics and divisive self

interest where is the voice of integrity and authority The Religious Right The secular Left In this visionary work prominent social activist and pastor Jim Wallis cuts to the heart of the debate to offer a moral and spiritual alternative to both sides of the political spectrum In a daring attack on the Religious Right Wallis reveals how its extreme positions actually conflict with the Bible yet wield an enormous and dangerous influence in Washington He also exposes the emptiness of the policies of the secular Left programs he feels are devoid of values and spirituality Instead of platitudes Wallis discusses real people instead of slogans he offers solutions calling for a new politics of compassion community and civility the three touchstones of a balanced society Whether he talks about abortion welfare crime or a new social agenda he gives surprising and provocative answers to the questions that concern us all Who Speaks For God is a call to action for the millions of Americans who yearn for a more humane and spiritual national agenda And in this transformational and practical book Jim Wallis puts that vision within reach for all of us

The Sleeping Giant Has Awoken Jeffrey W. Robbins, Neal Magee, 2008-04-11 Introduction by John Caputo and Afterword by Slavoj Žižek The triumph of American political conservatism in the last two decades has been paralleled by the ascendance of Christian evangelicalism More importantly the political Campaigns of 2000 and 2004 marked a convergence between these two political entities with an effectiveness never before seen in national elections On the one side conservatives have successfully set the terms of debate around so called family values and the status of religion in the public sphere On the other side evangelicals have mobilized in a new self awareness of their formidable political power and now demand representation at all levels of government Upon what fundamental ideas does this convergence rest What potential dangers does it present for the concepts of religion politics and America How secure is this alliance and what does each side sacrifice in order to sustain it Must all religion in America now become similarly engaged in the political sphere This volume is a collection of articles by a group of young scholars addressing the nexus between political conservatism evangelical Christianity and American consumerist culture

Second Coming Mark J. Rozell, Clyde Wilcox, 1996 Building on a history of the Christian Right in Virginia from 1978 through 1992 Second Coming gives a detailed analysis of the 1993 statewide elections and the 1994 senatorial race all of which attracted national attention **Kingdom Politics** Kristopher Norris, Sam Speers, 2015-04-16 American Christians weary of decades of entrenched partisan feuding are increasingly distancing themselves from politics Some however continue to turn toward the state and public policy to find solutions to the world's problems The problem is that both responses allow a narrow vision of politics to determine the church's mission and ministries which often ends up separating its commitment to personal faith from the pursuit of social justice the King from the kingdom Christians too easily forget that the church is inherently political a community defined by its allegiance to a King its citizenship in a new world and its call to work alongside others in pursuit of a new way of life The church needs a political vision that is more than blind acceptance or mere rejection of past models It needs a positive vision that takes its cues about politics not from the nation state but from another political reality the kingdom of God This book tells the stories of the visits

of two researchers to five diverse congregations across the United States From the megachurch energy of Rick Warren's Saddleback Church in California to a young Emergent community in Minneapolis to the politically active home of Martin Luther King in Atlanta these stories illuminate the vastly different ways congregations understand and approach politics and offer a glimpse of a new political imagination for today's church embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100%

The Rapture of Politics

Steve Bruce, Peter Kivisto, William H. Swatos, Jr., Theologically conservative Protestants have entered the political arena with an agenda that is at once political and religious Assessing the current impact of this New Christian Right NCR on American politics the contributors to this new book present provocative and diverse perspectives on a phenomenon that has despite its pervasiveness in American culture been too little examined While some contributors show a disdain for the NCR others evince genuine sympathy for the movement Steve Bruce takes aim at sociologists of religion who in his estimation have exaggerated the strength of the NCR Clyde Wilcox believes the NCR attracts only a limited electoral following and will have little success at the state and national levels Stephen Johnson reports on voting patterns of Catholics mainline Protestants and conservative Protestants in Muncie Indiana And Phillip Hammond and his associates observe that the main fault line between conservatives and liberals is now over family values John Simpson singles out debates over abortion and homosexuality as the most potent cultural divisions arising out of the 1980s Lyman A Kellstedt and colleagues mark the 1992 presidential election as a watershed event beginning a dramatic new cleavage in the two party system James M Penning and Matthew C Moen address issues related to NCR organizations and their place in the political arena It is clear that the NCR will remain a part of the religious and political landscape for some time though there is little consensus over where the NCR will be located in that landscape The Rapture of Politics will be of interest to political scientists theologians sociologists and scholars of American culture

The Two

Cities: A History of Christian Politics Andrew Willard Jones, 2021-06-24 The prevailing narrative of human history given to us as children and reinforced constantly through our culture is the plot of progress As the narrative goes we progressed from tyranny to freedom from superstition to science from poverty to wealth from darkness to enlightenment This is modernity's origin myth Out of it a consensus has emerged part of human progress is the overcoming of religion in particular Christianity and that the world itself is fundamentally secular In *The Two Cities A History of Christian Politics* Andrew Willard Jones rewrites the political history of the West with a new plot a plot in which Christianity is true in which human history is Church history *The Two Cities* moves through the rise and fall of empires cycles of corruption and reform the rise and fall of Christendom the emergence of new political forms such as the modern state and new political ideologies such as liberalism and socialism through the horrible destruction of modern warfare and on to the plight of contemporary Christians These movements of history are all considered in light of their orientation toward or away from God *The Two Cities* advances a

theory of Christian politics that is both an explanation of secular politics and a proposal for Christians seeking to navigate today's most urgent political questions *The New Christian Right* Melvin I. Urofsky, Martha May, 1996 Twenty nine collected essays represent a critical history of Shakespeare's play as text and as theater beginning with Samuel Johnson in 1765 and ending with a review of the Royal Shakespeare Company production in 1991 The criticism centers on three aspects of the play the love friendship debate **Faith in the New Millennium** Matthew Avery Sutton, Darren Dochuk, 2016 In *Faith in the New Millennium* Matthew Avery Sutton and Darren Dochuk bring together a collection of essays from renowned historians sociologists and religious studies scholars that address the future of religion and American politics The contributors discuss questions related to issues such as religion and immigration reform civil rights gay marriage race ethnicity foreign policy popular culture nationalism and the environment investigating how faith in the age of Obama has been transformed *The Politics of Moralism* Erling Jorstad, 1981 Now for the first time a book that looks inside the history beliefs activities and results of such groups as Moral Majority Christian Voice Religious Roundtable and the National Christian Action Coalition Read how a single issue Protestant crusade aimed at redeeming America and its morals affected the 1980 election But is this a return to the old time religion and old time constitution or is the New Christian Right a real threat to our freedom of religion Back cover *The New Christian Right, 1981-1988* Erling Jorstad, 1987 This work presents a comprehensive overview of the philosophy and activities of the New Christian Right NCR which are characterized by a conspiracy theory that secular humanists are responsible for the degeneration of the country into pervasive evil and by a social agenda of activism in the areas of abortion pornography homosexual rights prayer in the schools and creationism

Intended Consequences Donald T. Critchlow, 2001-05-10 After World War II U.S. policy experts convinced that unchecked population growth threatened global disaster successfully lobbied bipartisan policy makers in Washington to initiate federally funded family planning In *Intended Consequences* Donald T. Critchlow deftly chronicles how the government's involvement in contraception and abortion evolved into one of the most bitter partisan controversies in American political history The growth of the feminist movement in the late 1960s fundamentally altered the debate over the federal family planning movement shifting its focus from population control directed by established interests in the philanthropic community to highly polarized pro abortion and anti abortion groups mobilized at the grass roots level And when the Supreme Court granted women the Constitutional right to legal abortion in 1973 what began as a bi partisan quiet revolution during the administrations of Kennedy and Johnson exploded into a contentious argument over sexuality welfare the role of women and the breakdown of traditional family values *Intended Consequences* encompasses over four decades of political history examining everything from the aftermath of the Republican moral revolution during the Reagan and Bush years to the current culture wars concerning unwed motherhood homosexuality and the further protection of women's abortion rights Critchlow's carefully balanced appraisal of federal birth control and abortion policy reveals that despite the controversy the

family planning movement has indeed accomplished much in the way of its intended goal the reduction of population growth in many parts of the world Written with authority fresh insight and impeccable research Intended Consequences skillfully unfolds the history of how the federal government found its way into the private bedrooms of the American family The Rise and Fall of the New Christian Right Steve Bruce,1988 Drawing on survey data and interviews with fundamentalist activists to chart the rise and fall of the New Christian Right Bruce traces the postwar social and religious origins of the movement and evaluates its achievements To the Right Jerome L. Himmelstein,2023-04-28 In this timely book Jerome Himmelstein offers a new interpretation of the growth of conservatism in American politics Tracing the New Right of the 1970s and 1980s back to the Old Right of the 1950s Himmelstein provides an interpretive map of the political landscape over the past decades showing how conservatives ascended to power by reconstructing their ideology and building an independent movement This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990 In this timely book Jerome Himmelstein offers a new interpretation of the growth of conservatism in American politics Tracing the New Right of the 1970s and 1980s back to the Old Right of the 1950s Himmelstein provides an interpretive map of the poli Fundamentalisms Observed American Academy of Arts and Sciences,1994-07 The Fundamentalism Project vol 1 **Kitsch** Catherine A. Lugg,2002-05-03 Kitsch or tacky simplistic art and art forms is used by various political actors to shape and limit what we know about ourselves what we know about our past and our future as well as what our present day public policy options might be Using a plethora of historic and contemporary examples such as Forrest Gump and Boys Town the author maps out how kitsch is employed in various political and educational sites to shape public opinion and understandings The After Party Curtis Chang,Nancy French,2024-04-23 For the exhausted the hurting and the faithful The After Party helps reframe our political identity away from the what of political positions and toward the how being centered on Jesus This paradigm shifting book complements The After Party Project a six part video based highly interactive curriculum that provides churches small groups and individuals with an on the ground biblically based approach to a very complex topic The After Party Toward Better Christian Politics helps readers who feel despair about political divisiveness Engage with others across political differences Learn specific steps to reframe political identity outside of partisan divides Focus on how we relate to one another as Jesus teaches before moving to the what of political topics The After Party is ideal for Republicans Democrats and Independents looking for renewed hope and humility for our nation Local leaders seeking to counter animosity toward political opponents susceptibility to lies and other practices that threaten the common good Congregations classes and small groups watching The After Party video series Pastors who want to encourage their congregants to trade their partisan mindsets for the mind

of Christ It's not too late In today's political environment faithfulness to a biblical how of political engagement shines as a radical challenge to both the Right and the Left If you worry about what politics is doing to your community your family and your own well being The After Party will transform your political imagination It's time for us to go beyond party politics and as Christians believe in the true party yet to come

New Christian Politics Introduction

In today's digital age, the availability of New Christian Politics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New Christian Politics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New Christian Politics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing New Christian Politics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, New Christian Politics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New Christian Politics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New Christian Politics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, New Christian Politics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New Christian Politics books and manuals for download and embark on your journey of knowledge?

FAQs About New Christian Politics Books

What is a New Christian Politics PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a New Christian Politics PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a New Christian Politics PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a New Christian Politics PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a New Christian Politics PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing

features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
