Demigod's Saga Bhavesh Purohit, Deeksha Purohit, 2013-11-06 The story cannot be confined to a mere fictional category It crosses boundaries and mingles with most of the categories including fantasy suspense love story romance philosophical humor intense family drama etc Though a fiction it covers the fantasy because of its superhero element it is a suspense because of the never ending twists and turns in the story it's a love story between the protagonist and his lady love and it's philosophical because whenever the superhero falls in the story he is forced to redeem his thinking and get himself motivated by listening to his elders' wise thoughts There is a sting of dry humor in the dialogues and intense family drama because it involves relationship and their importance that we share in our everyday life The story revolves around a central theme of the real essence of life being Life is not about how many times we fail but how many times we rise above from our failures as the protagonist fails to deliver multiple times in the story but again raises himself above his failures forcing people to believe in him time and again *The Starlight Bond* Bruce Goldwell, 2025-07-10 The Starlight Bond A Romantasy Saga Beneath twin moons where flames dance with starlight a forbidden bond ignites a love that could save or shatter the Elemental Realms In a world where emotions fuel the tides winds and flames Ember is flame born trained to fight forbidden to feel Her fire is a weapon her heart a danger she cannot afford But when Auren a starborn exile carrying the weight of a lost world crashes from the heavens with a silver glow only she can see everything changes Their bond is instant cosmic dangerous a resonance of fire and starlight that defies the Courts laws and threatens their control In the Elemental Realms love isn't safe it's a threat As the Courts unleash ancient relics to sever their bond Ember and Auren must trust the love that binds them or risk losing each other and the realms to a void that consumes all feeling Together they are the prophecy the Elemental Courts tried to erase a union that could reshape reality itself But if Ember doesn't embrace the truth she's buried that her heart's fire is her greatest strength she'll destroy Auren and everything they were meant to save Feelings are rising Truths are awakening And the war between control and connection will decide the fate of a world on the brink of a new dawn Grim

A Desire for Respect Massimo Parlermo,2021-08-16 A Desire for Respect is the second book that Massimo Parlermo has written and it continues with the story about the character of Gianni Martino that he wrote about in his first book Desire for Love In this second book the story is mainly focused on how important respect was for Gianni in his career and with his friends and from his bosses and this story focuses on the professional career of Gianni and what his plans were for his career originally and what his plans and career turned out to be He loved sports as much as he loved his music but little did he know that when he was playing in a game of softball that a play he was involved with would change the course of his life and career but then he would lean back on sports later in his life to help him try and turn around his life Not only did he lean on sports but the desire for respect also motivated him He was an easygoing man who did not desire to get to the top He was not seeking wealth He was happy with just being in middle management and making enough money to enjoy his life but he soon found out that he could no longer enjoy that easygoing life He would soon get disrespected by his bosses and friends and other factors that shattered his life That made him angry and he began his quest to not only gain back that respect but he

was also motivated to show everyone else what he was capable of and that he was not someone to be walked all over and be taken for granted Little did he know that the desire for respect would soon change his outcome on life He needed to get out of his mess and rebuild his life and career but no matter how hard he tried it seemed like he was never going to get out of his predicament and he soon learned he could not get out of the predicament until he changed his path he was using to get out of his mess
