1960 1969 documents those songs that dominated the Midwestern airwaves during that decade considered by many to be top 40 s golden age Many of the songs listed did not appear at all on the national charts Others including local acts fared much better in Chicago than in the rest of the country Chicago Top 40 Charts 1960 1969 contains an alphabetical listing by title and by artist of every tune listed on the WLS Silver Dollar Surveys during those years It also lists the top 40 songs of each year and for the entire decade as well as a supplemental listing of songs on the station s Rhythm and Blues chart of 1964 For those who grew up listening to radio in the Windy City as well as for record collectors from anywhere Chicago Top 40 Charts 1960 1969 will be a valued addition to any music reference library
