[Yoga for a Healthy Body](#) Imelda Maguire, 2005. From stretching the body to calming the mind, yoga offers many benefits to those who practice regularly. Not only does this superbly photographed guide illustrate a variety of postures and combinations but since yoga is so much more than just an exercise regime it also explains the philosophy behind the form and gives practical advice on simple routines to practice at home. With this at hand there's no need to go to class. **Total Yoga** Tara Fraser, 2006-07. This is simply the perfect introduction to yoga. Complete with more than 200 photos plus special boxes that explain how to adapt the classic moves so they're easier to perform, it breaks down every asana or posture and reflects the most important developments in the form. The poses range from a simple standing forward bend to a plough and shoulder stand and specific sequences are laid out in detail including one for early morning energizing. There's inspirational coverage of yoga's traditional physiological, philosophical and spiritual context as well as information on different styles, finding a teacher, working with a partner and learning to meditate. Whatever your level or age this is the path to inner calm and a stronger, more flexible body. *50 Essential Guide to Yoga Poses for Beginners* Alice Ward, 2025-11-04.
