Gail Dines,Jean M. Humez,1995 This fine collection of perspectives and information will fill a major gap and help to push
communication study in an urgently needed direction Undergraduates graduate students and faculty alike have much to gain
from this text John Downing Department of Radio Television Film University of Texas Austin This is a well conceived and
provocative collection that goes a long way toward filling a real void in available classroom textbooks I have no doubt that it
will provoke many hours of discussion and debate about the relations between contemporary media forms and the politics of
identity and difference Larry Grossberg Morris Davis Professor of Communication Studies University of North Carolina
Chapel Hill This is one of the few books that really attempts to take the topic of mass media seriously while demonstrating a
range of languages and approaches that illustrate what doing cultural studies is actually about Henry Giroux Waterbury
Chair The Pennsylvania State University A terrific book broad based in cultural and critical studies Gender Race and Class in
Media is an excellent text for courses in which multiple perspectives are represented Ellen Wartella Dean College of
Communication University of Texas Austin An introductory text reader Gender Race and Class in Media critically examines
the mass media as economic and cultural institutions that shape our social identities especially in regard to gender race and
class Through an analysis of such popular genres as soap operas talk shows rap music sitcoms rock videos pornography made
for TV movies advertising and romance novels students are invited to engage in critical mass media scholarship From a
critical cultural perspective the comprehensive introduction delineates the major paradigms in media studies today It
outlines the text s integrated approach to media studies which incorporates three distinct but related areas of investigation
within media studies political economy of production textual analysis audience response resistance Chapter introductions to
the selected readings which are drawn from original essays and influential previously published articles provide a framework

for understanding and analyzing how gender race and class are structural and experiential categories that inform the production construction and consumption of media representations Gender Race and Class in Media is designed as a comprehensive critical introduction to mass media but it can also be used as a supplement to a more standard text This text reader is also valuable for such courses as sociology of media media criticism cultural studies popular culture journalism visual literacy and especially where a critical approach is used *Genrereflecting* Betty Rosenberg,1986 *Talk Yourself Up* Robert H. Janke,1993-01-02 A straightforward guide to mastering the rules of spoken English this how to book for those who want to make the most of the power of communication socially and on the job challenges readers to perfect skills for speaking in public on the phone in meetings and in job interviews *Light* ,1921 **Beacham's Encyclopedia of Popular Fiction** Kirk H.
