States For example a white woman is ten times more likely to be raped by a white male acquaintance than be the victim of a violent crime perpetrated by a black man Butler also frankly discusses the problem of black on black violence and how to keep communities safer without relying as much on police Chokehold powerfully demonstrates why current efforts to reform law enforcement will not create lasting change Butler s controversial recommendations about how to crash the system and when it s better for a black man to plead guilty even if he s innocent are sure to be game changers in the national debate about policing criminal justice and race relations     *Verbal Behavior* Burrhus Frederic Skinner,1957     **New Jersey Law Reports** New Jersey.
