Never Mind:

Never Mind the Joneses Tim Stafford,2009-09-20 Messages from the media and pressures from peers all seem to conspire against raising children with strong Christian values As kids grow older the potential for things to go wrong just seems to multiply How can parents nurture their families with confidence without the fear that they are making some big mistake Tim Stafford sets you free from worrying about the Joneses or anyone else He shows you how to build core Christian values into your children in a way that fits who God made your family to be unique and different from every other family In this practical and freeing book you ll find Why your family doesn t have to be like other families How to build core values into your children that will last a lifetime How you can find the patterns that fit who you and your family are Ways to build family life that kids enjoy and that parents find satisfying Why there s more than one good right way to be a family How to build grace and freedom into your family life while still providing structure and security Release from the fear that you are parenting the wrong way Stafford identifies thirteen core biblical values and describes a wide variety of ways to build these into families He explores the many options that are available for parents to help their children develop in truthfulness contentment hard work joy rest forgiveness and putting God first Some books suggest there is only one right way to parent no matter who you are In Never Mind the Joneses Stafford frees you to explore the ways God has provided that fit your family best
