Never Until Tomorrow:

Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious

Artists at Continent's End Scott A. Shields, 2006-04-17 From 1875 to the first years of the twentieth century artists were drawn to the towns of Monterey Pacific Grove and then Carmel Artist at Continent s End is the first in depth examination of the importance of the Monterey Peninsula which during this period came to epitomize California art Beautifully illustrated with a wealth of images including many never before published this book tells the fascinating story of eight principal protagonists Jules Tavernier William Keith Charles Rollo Peters Arthur Mathews Evelyn McCormick Francis McComas Gottardo Piazzoni and photographer Arnold Genthe and a host of secondary players who together established an enduring artistic legacy prospectus
