**The Accounting Profession**, 2002-10 Report after the sudden failure of Enron Corp Concerns the status of recommendations made by the Panel on Audit Effectiveness PAE to enhance the accounting profession's self regulatory system. The accounting profession maintains a voluntary self regulatory system that includes establishing and monitoring compliance with professional standards disciplining members for improper acts and substandard performance and conducting oversight of the system. The report determines the status of the recommendations by the PAE to address limitations of the self regulatory system and identifies any gaps in actions taken to implement the Panel's recommendations and their likely impact on overcoming the limitations of the self regulatory system. *Motor Age*, 1914 *The Automobile*, 1913
