Focus On: 100 Most Popular Fictional African-American People Wikipedia contributors, **The Palgrave Handbook of Parenthood in Popular Culture** Elizabeth Podnieks, Helena Wahlström Henriksson, 2026-01-01 This Handbook showcases representations of parenthood in twenty first century popular culture critically assessing how these representations shape respond to and redefine notions of families as well as popular culture genres Uniquely the collection brings together motherhood fatherhood and parenthood studies Chapters use intersectional approaches to illuminate LGBTQ racialized Indigenous and AI generated as well as normative or mainstream parental subjectivities and also address the topic of non parenthood The volume analyzes games comics social media literature film television and more It is global in scope signaled by the diverse cultural and geopolitical locations of the contributors and the texts they examine Chapters are produced out of and or are set within Canada the United States Britain Ireland Italy Sweden Finland India Iran China Japan South Korea Jamaica South Africa and Australia

Media and Entertainment Industry Management Sunghan Ryu, 2024-04-19 The media and entertainment industry MEI differs significantly from traditional industries in many respects Accordingly the management of strategy marketing and other business practices in the MEI

necessitates a unique approach Sunghan Ryu offers students focused and relevant insights into critical topics illustrated by vivid examples from the MEI Unlike typical introductory textbooks on business and management this book does not overemphasize complicated layers of theory Instead it presents essential concepts and frameworks in a digestible manner and supplements them with opportunities to apply this knowledge to real world cases The textbook demonstrates how knowledge can be constructively implemented in business and management scenarios It is structured into 12 chapters divided into five core modules 1 Overview of the MEI 2 The Fundamentals of Management 3 Marketing Management 4 Digital Business and Management and 5 New Business Models and Entrepreneurship Students will gain the ability to explain key concepts and frameworks across core business and management domains and develop analytical skills through diverse real world cases in the MEI Based on this knowledge they will be equipped to identify management related issues in the MEI and arrive at practical and effective solutions This book is an essential guide for students who wish to understand business and management in the dynamic world of the MEI

Easy R Elizabeth Gohmert, Quan Li, Douglas Wise, 2020-01-02 Do you want to learn R This book is built on the premise that anyone with a bit of free time and a healthy curiosity can learn to use R in their studies or at work The authors focus on using R to do useful things like writing reports creating data and graphs accessing datasets collected by others preparing data and conducting simple data analysis In this book you ll learn how to install R and RStudio and set up an RStudio project and folders write an essay with graphs based on simple real world data using R Markdown create variables from everyday numeric information and visualize data through five types of charts bar plot histogram pie chart scatter plot and time series line plot to identify patterns in the data write and run R programs and prepare your data following the tidyverse approach import external datasets into R install R data packages and carry out initial data validity checks conduct exploratory data analysis through three exercises involving data on voting outcomes natural resource consumption and gross domestic product GDP via data visualization correlation coefficient and simple regression and write a research paper on the impact of GDP per capita on life expectancy using R Markdown Student friendly language and examples such as binge watched shows on Netflix and the top 5 songs on Spotify cumulative learning and practice exercises make this a must have guide for a variety of courses where data are used and reports need to be written Code and datasets used to carry out the examples in the book are available on an accompanying website

The Joy of Eating Jane K. Glenn, 2021-11-05 This volume explores our cultural celebration of food blending lobster festivals politicians roadside eats reality show chef showdowns and gravity defying cakes into a deeper exploration of why people find so much joy in eating In 1961 Julia Child introduced the American public to an entirely new joy infused approach to cooking and eating food In doing so she set in motion a food renaissance that is still in full bloom today Over the last six decades food has become an increasingly more diverse prominent and joyful point of cultural interest The Joy of Eating discusses in detail the current golden age of food in contemporary American popular culture Entries explore the proliferation of food themed

television shows documentaries and networks the booming popularity of celebrity chefs unusual exotic decadent creative and even mundane food trends and cultural celebrations of food such as in festivals and music The volume provides depth and academic gravity by tying each entry into broader themes and larger contexts in relation to a food themed reality show for example discussing the show's popularity in direct relation to a significant economic event providing a brief history behind popular foods and types of cuisines and tracing the evolution of our understanding of diet and nutrition among other explications

Caged Women Shirley A. Jackson, Laurie L. Gordy, 2018-06-13 The Netflix series Orange Is the New Black has drawn widespread attention to many of the dysfunctions of prisons and the impact prisons have on those who live and work behind the prison gates This anthology deepens this public awareness through scholarship on the television program and by exploring the real world social psychological and legal issues female prisoners face Each chapter references a particular connection to the Netflix series as its starting point of analysis The book brings together scholars to consider both media representations as well as the social justice issues for female inmates alluded to in the Netflix series Orange Is the New Black The chapters address myriad issues including cultural representations of race class gender and sexuality social justice issues for transgender inmates racial dynamics within female prisons gender and female prison structures policies treatment of women in prison re-incarcerated and previously incarcerated women self and identity gender race and sentencing and reproduction and parenting for female inmates
