Love Words:

Love's Oneing Kerrie Hide, 2022-11-08 Grounded in Christian love mysticism Love's Oneing gives voice to the luminous consciousness that awakens from within our oneness in God in contemplation With great sensitivity the book offers nuanced insight into the marriage of kenosis and desire in contemplation through the rich tapestry of writings from nine mystics Julian of Norwich the Cloud of Unknowing author Meister Eckhart Mechthild of Magdeburg Clare of Assisi John of the Cross Teilhard de Chardin Beatrice Bruteau and Ilia Delio With the delicate eye of a spiritual director immersed in mystical literature Kerrie Hide situates these mystical teachings within contemplative prayer whilst offering a scholarly exploration of contemplative practice to embody the insights Deeply grounded in traditional and contemporary mystical classics Hide celebrates how the Christian mystical tradition lays a foundation for the evolutionary growth of communion consciousness and the insights of quantum science highlighting key moments in contemplation that when surrendered into open into divine love Born of intellectual reflection lived experience and contemplative wisdom Love's Oneing makes a unique contribution to the existing literature on contemplation at a time when the recovery of the mystical dimension of life is crucial for the future of our planet in this climate crisis moment Theology and the Science of Moral Action American Academy of Religion.

Conference, 2012 The past decade has witnessed a renaissance in scientific approaches to the study of morality Once understood to be the domain of moral psychology the newer approach to morality is largely interdisciplinary driven in no small part by developments in behavioural economics and evolutionary biology as well as advances in neuroscientific imaging capabilities among other fields To date scientists studying moral cognition and behaviour have paid little attention to virtue theory while virtue theorists have yet to acknowledge the new research results emerging from the new science of morality Theology and the Science of Moral Action explores a new approach to ethical thinking that promotes dialogue and integration between recent research in the scientific study of moral cognition and behaviour including neuroscience moral psychology and behavioural economics and virtue theoretic approaches to ethics in both philosophy and theology More particularly the book evaluates the concept of moral exemplarity and its significance in philosophical and theological ethics as well as for ongoing research programs in the cognitive sciences **A Poetics of Orthodoxy** Benjamin P.

Myers, 2020-12-17 What makes one poem better than another Do Christians have an obligation to strive for excellence in the arts While orthodox Christians are generally quick to affirm the existence of absolute truth and absolute goodness even many within the church fall prey to the postmodern delusion that beauty is in the eye of the beholder This book argues that Christian doctrine in fact gives us a solid basis on which to make aesthetic judgments about poetry in particular and about the arts more generally The faith once and for all delivered unto the saints is remarkable in its combined emphasis on embodied particularity and meaningful transcendence This unique combination makes it the perfect starting place for art that speaks to who we are as creatures made for eternity **The Ultimate Country Fake Book (Songbook)** Hal Leonard
