

I thought about kissing you today  
and yesterday  
and the day before that.  
I know I'll think about kissing you  
tomorrow  
and the day after that  
and some more days after those days.  
I think about kissing you  
slowly  
and tracing my fingers along  
your lips.  
I think about kissing you  
in your car, in the rain, on your doorstep.  
I think about kissing your  
dimple, your cheek, your spot.  
I think about kissing only you  
not anyone else  
just you.

## Love Thoughts Poems:

**Love, Sex, and Romance: Beautiful Love Poems for the Heart** MR Ed Starpoet Hendricks, 2012-08-13 The world's deepest book of love poems I wanted to take the reader on a fantastic and love filled journey of the soul and spirit with my thoughts about love and romance. My writing style is plain and very easy to understand. An added plus is that I tell the reader my thoughts behind each poem before I begin it. I write of love that spans space time the stars and the universe. I feel that my book will take your heart to places that all lovers dream of. Like it did me as I was writing it. Ed R Hendricks [Love](#)

Thoughts Glenn Smith, 2005-07-01 In Love Thoughts the author takes a look at all the hills and valleys of men and women boys and girls from the first time of innocence youth until the fullness of a lasting relationship with the girl of your dreams. Togetherness separation joy and sadness are all examined in these pages. Having known so many beautiful and talented women in my life has been a joy to me personally. To watch them weave their magic in the home church social functions child birth child raising business sports and the political arena there is no doubt in my mind that this is God's greatest gift to man. I met Jan Johnson in 1949. She was born in Dallas Texas on April 27 1934. She was living in Ft Worth Texas when we married. I was nineteen and she was sixteen. Our journey in life together began February 10 1951 and has been a life of adventure discoveries trial and error. Blessed with four children we learned by doing testing the waters and fires of life. The story of the universe is found and harnessed into powerful energies found only in the joys of love. A man for a woman Enjoy with me the experiences of a thing called love. I was on a deer hunting trip with some hunting friends in Texas. Naturally the subject came up about the difference between a man and a woman. One man made the statement The good Lord just out did Himself when he made a woman. Watching love take over lives is a joy and testimony to God's love for us all. If I could sing to my love I would but I can't so I write because I must.

**Wings To The Broken Soul** Paulomi Roy, 2020-12-17 We all pass through different phases of life. Our life is like a roller coaster ride it is never same all the way. Often some tragic incidents break us into pieces. Being heartbroken we just look for one ray of hope as an inspiration. However where does this inspiration come from?

Inspiration comes from every small thing surrounding us. Nature along with its creations is capable of inspiring us to the best. We all get heartbroken at some point of time in our life but let's not give the heart breaking reasons the power to destroy us. We describe our identity or define our destiny. Even if no one steps forward to render help and soothe our pain we still have the potential to gift ourselves the wings of love. Let's not forget that even in worst conditions we are always capable of gifting ourselves the wings to our broken souls. These wings are so powerful and strong that they work like magic for us. These wings hold our aspiring dreams and show us the path of the complete transformation of our soul and body. Every time we flap the wings not only we bless ourselves with love but also shower love on others. So let's not forget that in all adversities we have the capability to empower ourselves with the powerful wings of love to our broken souls.

## **Love Thoughts Poems Introduction**

In todays digital age, the availability of Love Thoughts Poems books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Love Thoughts Poems books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Love Thoughts Poems books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Love Thoughts Poems versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Love Thoughts Poems books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Love Thoughts Poems books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Love Thoughts Poems books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Love Thoughts Poems books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Love Thoughts Poems books and manuals for download and embark on your journey of knowledge?
