*I Am Who I Am* Binu Edathumparambil, 2017-01-11 The mystery of God has fascinated people of all generations Based on what has been revealed people have tried to define describe and depict him in the way they deemed fit But he has proved himself to be bigger than all human classifications He continues to reveal himself to us in ways that we sometimes least expect He becomes so small that we can understand and experience him according to who we are and what capacity we have But he is so big that he is beyond all our imaginations and fantasies Author Binu

Edathumparambil considers God as an inevitable component in the triangular model of life that he suggests for our lives. A healthy and happy life according to Edathumparambil is one that is lived in communion with God and others. This book specifically focuses on the mystery of God and his place in the triangular model of life. It is about what our forefathers experienced in the past and what we experience today. It is also about how our understandings and experiences of God shape our lives as individuals and communities.

*Mother Teresa: The Irish Connection* John Scally, 2016-05-10. Mother Teresa of Calcutta was a twentieth century icon, a living example of the power of love. She is now on the fast track to sainthood. This book marks the 100th anniversary of her birth on August 26th 1910. Irish people feel a special affinity with this tiny Albanian nun, but it is often forgotten that the order she chose to join was an Irish one, the Loreto Sisters, and she spent time as a novice in Dublin. Her ties with Ireland remained strong. She returned many times, was given the Freedom of Dublin City in 1993, and at the height of The Troubles in 1971 sent a group of Sisters armed just with bedrolls and a violin to Belfast to help in whatever little way they could. John Scally has drawn together the strands of these connections, speaking to many well-known Irish people about their encounters with Mother Teresa and her abiding influence on their lives. However, the heart of this extraordinary book is the author's never-before-published interview with Mother Teresa in which she revealed her love for Ireland and her wishes for peace on this island.

**Becoming a Professional Life Coach** Diane S. Menendez, Patrick Williams, 2011-03-28. Personal and professional coaching, which has emerged as a powerful career in the last several years, has shifted the paradigm of how people who seek help with life transitions find a helper to partner with them in designing their desired future. No matter what kind of sub-specialty a coach might have, life coaching is the basic operating system, a whole person, client-centered approach. Here Pat Williams, who has been a leader in the life coaching movement, has co-authored another essential book for therapists working as coaches. *Becoming a Professional Life Coach* draws on the wisdom of years of collective experience that have gone into designing the curriculum for the Institute for Life Coach Training. This curriculum has trained therapists and psychologists around the world to add coaching to their current businesses. This book presents the essential elements of the life coach training program in a content-rich form that is equivalent to a graduate-level education in the field.

**The Old-time Religion** David James Burrell, 1913. *Come and See* Linda Schaefer, 2003-07. Unlike most books of photographs about Mother Teresa, *Come and See* is very unique. It combines the text of a journal handwritten by photojournalist Linda Schaefer as well as some 160 full-color photographs taken as she lived and worked with the Missionaries of Charities and the international team of volunteers in various facilities run by Mother Teresa throughout India. Schaefer had decided many years ago that she wanted to shoot a pictorial on Mother Teresa and her work. Finally, in 1995, she had a brief encounter with the living saint during a visit to Atlanta. This renewed her passion to photograph the nun in her natural surroundings and share a different look at Mother Teresa with the world. This was not an easy task. Mother Teresa was opposed to another book about her. As she put it, too many people are making money and none of it gets to the

poor who really need it After accepting a challenge from Mother Teresa to put her cameras down and go to work in the orphanages and houses of the dying Schaefer finally received the answer to her prayers Mother Teresa penned a note to Linda granting her complete and unfettered access to her facilities the Missionaries of Charity the international team of volunteers and thousands of poor and sick The result is a book that was created around the dictates of Mother Teresa As she put it she wanted the people who picked up this book to see her world the environment in which she lived and shared her love She wanted viewers to actually see smell and hear the real world in which she lived and worked She didn't want a book packed full of individual photos of herself and so Schaefer's work portrays all of the component parts that made up the world of Mother Teresa This is the focus of *Come and See* **Liberating Christianity and the Ideal Social Order** Uba John Ofei, 2004 **The New Beacon Book of Quotations by Women** Rosalie Maggio, 1996 *Beacon Book of Quotations by Women* brings the best of women's words from biblical times to the present to today's readers writers and speakers
