**The Secret of Happiness** Edmond Holmes, 1919 *Who Are You? a Lover Or a Worshipper of God* IFEOLUWA. KOMOLAFE, 2025-02-08 Who are you A lover of God or just a worshipper Many believers express their faith through worship but do they truly love God for who He is or for what He can do In Who are You a Lover or Worshipper of God this thought provoking book explores the differences between loving God unconditionally and worshipping Him with expectations Through biblical insights real life applications and transformational principles you will discover The true definition and characteristics of those who love God and those who merely worship Him Practical steps to deepen your relationship with God inspiring biblical examples of love and worship How to shift from seeking God's hand to pursuing His heart This book challenges you to examine your faith and invites you into a more authentic love filled relationship with God Whether you are a new believer or someone seeking deeper spiritual growth this book will inspire transformation in your walk with Christ Are you ready to move from being just a worshipper to becoming a true lover of God On the Love of God Saint Bernard of Clairvaux, Aeterna Press, You wish me to explain for what reason and in what measure we should love God I should say that God Himself is the motive of our love to Him and that the measure of due love is to be without measure Is this clear enough Perhaps it may be for a person of intelligence but I desire to answer for both the learned and unlearned and though I may have said enough for the former I must remember others also For them I will unfold my meaning and perhaps add somewhat to it Aeterna Press The Love of God Oswald Chambers, 2015-03-31 Love It's a word that comes to us so easily I love that movie She loves pizza I'd love to see Paris someday But true love God's love goes so much further than preferences or wishes It's at the core of God's character and as His children Christians have the wonderful privilege of experiencing it and sharing it with others Explore the depths of God's love in this deeply scriptural and spiritually practical book from noted pastor and author Oswald Chambers author of My Utmost for His Highest Discover a deeper intimacy with your heavenly Father as you better understand His love for you Grow in your knowledge of His character as you see the many ways He reveals His heart for the world and for you Refresh your soul with the knowledge that the God of the universe loves you In addition to The Love of God this volume also includes five other works by Chambers The Ministry of the Unnoticed The Message of Invincible Consolation The Making of a Christian Now It Is Possible and The Graciousness of Uncertainty Each one will affirm God's love for you and challenge you to experience a stronger relationship with Him **How To: Love God Successfully** John Nolan, 2020-01-01 This teaching focusses on what Jesus taught was the greatest commandment of all **Loving God** Ayodele Ajileye, 2020-01-09 I have heard sons and daughters of God saying that they want to love God and many of them also pour out their heartfelt pain at how they have failed woefully no matter how much they tried Many of them wondered if God is really fair for commanding us to love Him with all our hearts souls minds and strengths They wondered that If it's not going to be possible to love God why did He saddle us with such a responsibility I get you friend I've been there too and it

was really difficult to love God And if I can t love God then I can t love myself and I can t love my neighbor since I have to first love God then love my neighbor as I have loved myself I found it difficult and laborious to love God until He told me to stop trying to love Him I can almost hear that resounding in your mind Stop trying to love God That is unbelievable I agree with you that it is unbelievable But that is the truth Well I stopped trying to love God and allowed Him to show me how to love Him My dear I know that you want to love God and I understand that you might have been finding it difficult This is why I want to share some truth with you that God used to bring me into loving Him as easily as breathing in and out Enjoy your ride through the book as you are launched into loving God with ease Many of them wondered if God is really fair for commanding us to love Him with all our hearts souls minds and strengths They wondered that If it s not going to be possible to love God why did He saddle us with such a responsibility I get you friend I ve been there too and it was really difficult to love God And if I can t love God then I can t love myself and I can t love my neighbor since I have to first love God then love my neighbor as I have loved myself I found it difficult and laborious to love God until He told me to stop trying to love Him I can almost hear that resounding in your mind Stop trying to love God That is unbelievable I agree with you that it is unbelievable But that is the truth Well I stopped trying to love God and allowed Him to show me how to love Him My dear I know that you want to love God and I understand that you might have been finding it difficult This is why I want to share some truth with you that God used to bring me into loving Him as easily as breathing in and out Enjoy your ride through the book as you are launched into loving God with ease

Treatise on the Love of God Saint Francis de Sales,Aeterna Press,2017-05-28 THE following Treatise presents at first sight considerable difficulties They do not arise from any defect in the Saint s mode of expression but are inherent in his subject and manner of treatment going deep down into the roots of the Love of God Thus he speaks in his Preface and continues The first four books and some chapters of the others might doubtless have been omitted without disadvantage to such souls as seek only the practice of holy love I have been forced to say many things which will appear

more obscure than they are The depths of science are always somewhat hard to sound But he tells us that the state of the minds of his age required this deeper treatment and whatever may be thought as to the best way of presenting modern religious teaching to an age so ignorant so shallow and so unthinking as is our own with regard to spiritual truths there can be no question that this masterpiece of the chief doctor of ascetic theology must not be brought down to our level but that we must raise ourselves towards it Aeterna Press

**If you Love the Lord** Dag Heward-Mills,2022-04-20 Do you love the Lord That is an important question Our Lord Jesus Christ asked Peter Peter do you love me Why is your love for God something that we need to discuss Jesus says the greatest commandment is that you should love the Lord your God with all your heart with all your soul and with all your mind Sometimes there are circumstances thrown together and presented to you by the Lord that are simply tests tests to prove your love for the Lord If you love the Lord prove it by passing the tests of love Another amazing book by renowned author Dag Heward Mills which will set you thinking and asking yourself the all important question Do I really love the Lord

**Sharing God'S Love** R. J. Bragg,2015-04-27 Dont you deserve love In Sharing Gods Love you will learn how easy it is to receive and it is in fact written throughout the Bible Yet somehow we miss it How many have thought that a babys purpose is to share Gods love with us How many second chances have you received so far in your life It is not nice or godly to always share your sickness and never your love to those you meet and speak with Today you can start thinking about changing what you are thinking to what is needed to get into Gods heaven Sooner or later each of us will be getting that call from God saying He is ready for you to come home right now We need to learn to say Lord I want to do Your will this day You have chosen me to do something special that only I can do
