**Enemies to Lovers** is a two player dueling game you can win by vanquishing your rival in a series of duels or by romancing them and uniting against the world.

*For a moment, their blades caught and the two locked eyes, and it was as if the rest of the battle fell silent.*

*Cosimo was swept away into the fray, but his stare lingered in Martina's memory.*

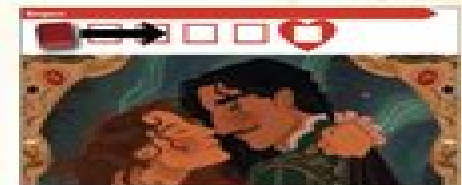

### If you win a battle:

Your side moves closer to an individual victory.

Play carefully — if you win by too much, your opponent reads a narrative interlude and gains a powerful upgrade.

### If a battle results in a draw:

Your respect for your rival grows...

If your respect turns into love, you'll work together to win cooperatively against the pressures of society and your combined city-states.
