Love's Brazen Fire Betina M. Krahn,1989-12 Whitney Daniels despised the government men sent to close down her family's distillery in Rapture Valley Pennsylvania Major Garner Townsend knew Whitney was as far from an Eastern debutante as her wild blackwater town was from his prestigious Back Bay Worse she was leading the very rebellion he was under orders to crush Garner knew the consequences of falling for a woman like Whitney But the consequences be damned

Seasons of Love Jack Mooney,2021-10-20 Seasons of Love is a collection of poems centered around love God and pain that is associated with being in love All of the poems are written in the early morning hours before work under candlelight my favorite part of the day There is one central theme or element within the poems that you will identify with which is the moon I believe that when you are in love the moon changes It becomes the one that you are in love with It is something that you can both share while holding hands on a park bench or five hundred miles apart You are never alone at this time because she is always there ever present for you to see From distant doors you can both share the moon as if she is standing next to you whispering in your ear Love is about two inseparable hearts it is about her being the only one in a crowded room and the feeling you are overcome with when she touches your hand The poems are written in the first person to pull you in and bring these elements to life Cover to cover I want the reader to see love from a new perspective where God is always present and love is unabridged So when completed grab her hand and look at the moon and make it yours make it personal The moon will change and your love will grow deeper and God ever present Love becomes more than just a word used to express our feelings It becomes an emotion that will overwhelm you when you touch her stare at the moon look into her eyes and watch her sleep
