*Love's Confusions* C. D. C. Reeve, 2009-07-01 Ranging from Plato to writers as diverse as Shakespeare Proust Forster Beckett Huxley and Lawrence Reeve brings the vast resources of Western literature and philosophy to bear on the question of love He invites us to think more broadly about love and to find the confusions that inevitably result to be creative rather than disturbing

**OVERCOMING DEPRESSION AND SPIRIT OF CONFUSION** Betty Mephors, 2013-10-11 Overcoming depression and Spirit of confusion is a tried and true formula of escape from the demons causing those infirmities as well as a triumphant song secret on the journey after healing takes place This book also takes you through a journey of extraordinary unexpected spiritual awakening in the end and you will never be the same after reading this book No other book on depression has this potent combination of spiritual medicinal regiment to deliver from either or both depression and or confusion

*The Six Archetypes of Love* Allan G. Hunter, 2008-09-01 Addressing the need to understand the role of love in life this compendium of startling insights relates love to the spiritual development in each of six universal archetypes Attempting to answer such questions as What is love How do we find it and how can we keep it Why are there so many puzzling forms of it and Why do so many people get it so wrong the book shows how love relates to the self awareness in spiritual development for each archetype Whether describing an Innocent a Magician a Monarch an Orphan a Pilgrim or a Warrior Lover the featured archetype profiles offer essential guidance about what level of awareness is currently being lived how to transition to the next stage and how love can be nurtured Each stage of development is tied to the ancient wisdom of the Tarot the visual images of which act as reminders as to what to expect on life s journey supported by real life and pop culture examples that provide more immediate accessibility

**Following Chaucer** Lynn Staley, 2020-04-21 Following Chaucer *Offices of the Active Life* explores three representative figures the royal woman the poet and the merchant in relation to the concept of office which Cicero linked to the health of the republic but Chaucer to that of the common good Not usually conjoined to the term office these three figures situated in the active life were not firmly mapped onto the body politic which was used to figure a relational and ordered social body ruled by the king the head These figures are points of entry into a set of questions rooted in Chaucer s understanding of his cultural and historical past and in his keen appraisal of the social dynamics of his own time that also reverberate in the centuries after Chaucer s death Following Chaucer does not trace influence but uses Chaucer s likely reading circumstances and literary and social affiliations as guides to understanding his poetry within the context of late medieval English culture and the reshaping of the concept of these particular offices that suited the needs of a future whose dynamics he anticipated His understanding of the importance of the Ciceronian concept of office within the active life his profound cultural awareness and his probing of the foundations of social change provide him with a keen sense of the persistent tensions and inconsistencies that are fundamental to his poetry
