Deborah Wofford,2010-10-13 There is no available information at this time **Be the Second Coming** Hope Ives Mauran,2011-08-30 Be The Second Coming is a timely and timeless how to for connecting to the divine presence that is within each of us Practical exercises will help us to see All as One which is the bridge to seeing as a Christ sees Learn to see the structures people animals and the very earth around us as part of who we are in the largest sense In seeing this way fears and limitations can drop away enabling us to relax in a new way giving us the power to transform our lives and the world we all share The author s story begins as she is told she had agreed to embody Christ consciousness As her spiritual journey unfolds she shares conversations she has with Jesus Christ offering a road map for awakening the Christ within us thus making the path to Christ consciousness a possibility for each of us Poignant and at times humorous BE THE SECOND COMING captivates and enlightens while it offers insight into what is happening on earth now that supports our embodiment of the Christ Learn To see All as One Jesus instructions for manifestation To converse with our own guides The miraculous power of Christ consciousness BE THE SECOND COMING creates a vision for a life that is boldly empowering and deeply hopeful by offering a path for a return to heaven on Earth **POETRY** Ron Matsusaki,2023-07-23 This book of poetry spans two decades of my life and my heart This book is not just a book of poetry Rather it is a book of insights about life that gleaned personally over two decades More than the entertainment value the poems may provide I share with you something much deeper To assist you I have tried to categorize the themes in chapters and provide explanatory endnotes and cross

references My first poem RUNNING was written in 2002 during a time of turmoil in my life I was looking for an answer as to why my life seemed to be going downhill RUNNING therefore was written with a negative bias toward myself The poems that followed were largely based on experiences that in one way or another also touched my heart I call poetry The Music of My Heart because in them my heart speaks singing a fanciful or heavy song or something in between I write in a style I call freelance They may rhyme or they may not rhyme or they might be a mixture of both Almost all poems are metaphors Almost all bear a message that is usually expressed in the last verse I often personify inanimate objects When I begin a poem I have no idea whatever of what a poem is about to express I just let my heart speak I never plan a poem a word or phrase randomly pops into my mind I sit down and I let my heart say what it tells me it has to say Only at the end do I know what I have just written and give it a title The first half of the book contains the lighter poems and the second half contains heavier moods and themes The transition occurs in PRINCE EDWARD ISLAND The poems are sectioned according to theme but there is considerable overlap I have provided explanatory endnotes especially for the poems of PRINCE EDWARD ISLAND which may have esoteric references e g DEVIL S TABLE THE DEVIL S PRICE If however you the reader derive a personal insight benefit from any given poem I suggest you refrain from reading the endnote Doing so could change the benefit you derive I emphasize that this is your book to derive whatever you might I purposely left UNIVERSE the most important chapter to the end as UNIVERSE expresses the denouement of my life Love I. Dilman,2016-01-13 The book is concerned with questions about love questions about its many forms strands and aspects and the relation in which they stand to each other It is concerned with the way different aspects of sexual love conflict with each other with the way self regard and self interest can corrupt love and with spiritual love and its difficulties It seeks the views of some writers who have suggested some distinctive solutions to the existential problems that love poses in the face of its obstacles Plato Proust Sartre Freud D H Lawrence Erich Fromm C S Lewis Kierkegaard Simone Weil and Kahlil Gibran **Bright, Catholic and Gay** Danton Remoto,2017-09-22 A collection of award winning writer and activist Danton Remoto s short essays on popular culture politics and other important and controversial national issues Remoto has taught English and Literature for more than twenty years and is a multimedia personality as host of a radio and a TV show and a columnist for a daily and an online news portal He founded the Ladlad Party List in 2003 whose accreditation was refused by the Commission on Elections This led to the historic decision affirming the equality of LGBT rights and opening the door to representation in Philippine Congress **The JOKE** Milan Kundera,1993-02-26 All too often this brilliant novel of thwarted love and revenge miscarried has been read for its political implications Now a quarter century after The Joke was first published and several years after the collapse of the Soviet imposed Czechoslovak regime it becomes easier to put such implications into perspective in favor of valuing the book and all Kundera s work as what it truly is great stirring literature that sheds new light on the eternal themes of human existence The present edition provides English language readers an important further means toward revaluation of The Joke For reasons he

describes in his Author's Note Milan Kundera devoted much time to creating with the assistance of his American publisher editor a completely revised translation that reflects his original as closely as any translation possibly can reflects it in its fidelity not only to the words and syntax but also to the characteristic dictions and tonalities of the novel's narrators The result is nothing less than the restoration of a classic The Typography of Advertisements Frederick James Trezise, 1921
