Further essays discuss production Brecht and the Jews and connections with artists as diverse as Eisler Felsenstein Busoni Anna Seghers Breughel and Shakespeare. Calandra, 1999-03-03 CliffsNotes on Bertolt Brecht's plays *Mother Courage* and *The Caucasian Chalk Circle* **The Collected Poems of Bertolt Brecht** Bertolt Brecht, 2018-12-04 Times Literary Supplement Books of the Year The most generous available English collection of Brecht's poetry A landmark literary event *The Collected Poems of Bertolt Brecht* is the most extensive English translation of Brecht's poetry to date. Widely celebrated as the greatest German playwright of the twentieth century Bertolt Brecht was also as George Steiner observed that very rare phenomenon a great poet for whom poetry is an almost everyday visitation and drawing of breath. Hugely prolific Brecht also wrote more than two thousand poems though fewer than half were published in his lifetime and early translations were heavily censored. Now award winning translators David Constantine and Tom Kuhn have heroically translated more than 1 200 poems in the most comprehensive English collection of Brecht's poetry to date. Written between 1913 and 1956 these poems celebrate Brecht's unquenchable love of life the desire for better and more of it and reflect the technical virtuosity of an artist driven by bitter and violent politics as well as by the untrammeled forces of love and erotic desire. A monumental achievement and a reclamation *The Collected Poems of Bertolt Brecht* is a must have for any lover of twentieth century poetry **The Image of**

Woman in Bertolt Brecht's Poetry Aija Kuplis, 1976 **"Verwisch Die Spuren!"** Robert Gillett, Godela Weiss-Sussex, 2008

This volume presents a cross section of current Brecht studies reflecting a variety of approaches and perspectives ranging from detailed exegesis of particular texts to cultural criticism in the broadest sense. It provides analyses of Brecht's work and investigates his pervasive influence in 20th century literature. The studies collected here cover the whole of Brecht's career from the early one acter *Kleinbürgerhochzeit* of 1919 to the *Sinn und Form* years immediately preceding his death as well as his use of tradition and his legacy. By way of redressing a tendency in Brecht reception to regard him mainly as a dramatist the volume covers novels poetry film photography journalism and theory as well as plays **Love Poems** Bertolt Brecht, 2014-11-11 An historic publication in which the legendary German poet and dramatist emerges quite like Goethe as a poet driven by Eros. Bertolt Brecht is widely considered the greatest German playwright of the twentieth century and to this day remains best known as a dramatist the author of *Mother Courage* *The Threepenny Opera* and *The Caucasian Chalk Circle*

among so many other works However Brecht was also a hugely prolific and eclectic poet producing more than 2 000 poems during his lifetime indeed so many that even his own wife Helene Weigel had no idea just how many he had written A thieving magpie of much of world literature the full scope and variety of his poetic output did not become apparent until after his death Now the English speaking world can access part of his stunning body of work in Love Poems the first volume in a monumental undertaking by award winning translators David Constantine and Tom Kuhn to translate Brecht's poetic legacy into English Love Poems collects his most intimate and romantic poems many of which were banned in Germany in the 1950s for their explicit eroticism Written between 1918 and 1955 these poems reflect an artist driven not only by the bitter and violent politics of his age but like Goethe by the untrammeled forces of love romance and erotic desire In a 1966 New Yorker article Hannah Arendt wrote of Brecht that he had staked his life and his art as few poets have ever done In these 78 poems we see Brecht's astonishing and deeply personal love poems including 22 never before published in English many addressed to particular women which show Brecht as lover and love poet engaged in a bitter struggle to keep faith hope and love alive during desperate times Featuring a personal foreword by Barbara Brecht Schall his last surviving child Love Poems reveals Brecht as not merely one of the most famous playwrights of the twentieth century but also one of its most fiercely creative poets

Perspectives and Personalities Ralph Ley, 1978 **The Romantic Heritage of Marxism** Boria Sax, 1987 This book traces the roots of East German poetry in the tradition of German Romanticism In the initial chapters it examines the way in which Romantic traditions have exerted a continuing influence on Marxist theory It continues with a close analysis of poems by leading East German authors such as Becher Brecht and Maurer A fundamental tension is uncovered in this poetry There is the Romantic tendency to view erotic love as a source of salvation There is also pressure in a Socialist state to subordinate personal feelings including love to collective priorities While the poets have attempted to resolve this contradiction in highly original ways none appears entirely successful

Swedish Novelist Selma Lagerlöf, 1858-1940, and Germany at the Turn of the Century Jennifer Watson, 2004 This quote from the Novel Prize winner Nelly Sachs about Selma Lagerlof 1848 1940 is one that rings true not only for Germany but for all of Europe at the turn of the century 19th 20th Lagerlof was the first woman to win the Nobel Prize for Literature 1909 and at the height of her literary career was an internationally acclaimed author praised by the public and critics alike She was particularly heralded in Germany where Scandinavian authors have a strong impact on German literature during the late nineteenth and early twentieth centuries This book examines the literary impact Selma Lagerlof had on German authors of the time It also clearly sheds new light on Selma Lagerlof as well as other notable German authors such as Franz Kafka Bertolt Brecht Gerhardt Hauptmann Nelly Sachs Ina Seidel and Gustav Frenssen This book will be of great value to those in the fields of Scandinavian German and Comparative literature
