Luke's wife Evelyn R. Garratt,2025-03-02 In *Luke's Wife* Evelyn R Garratt weaves a poignant narrative that explores the complexities of love sacrifice and identity through the lens of an ordinary woman navigating her extraordinary circumstances. Set against a backdrop of societal upheaval the novel is characterized by its lyrical prose and rich character development offering readers an intimate glimpse into the protagonist's internal struggles and evolving relationships. Garratt deftly balances emotional depth with social commentary inviting reflection on the roles and expectations placed upon women in contemporary society. Evelyn R Garratt an acclaimed writer known for her insightful portrayals of women's experiences draws on her background in social work and feminist literature to shape the narrative of *Luke's Wife*. Her personal experiences and keen observations of human behavior infuse the characters with authenticity allowing readers to resonate deeply with their triumphs and tribulations. Garratt's commitment to exploring themes of resilience and empowerment sets her apart as a vital voice in modern literature. I highly recommend *Luke's Wife* to readers seeking a compelling and thought provoking tale that examines the intricacies of personal relationships and societal pressures. Garratt's masterful storytelling will not only engage but also inspire making this book a significant contribution to contemporary fiction.

*Love Knows No Bounds* Virginia Eriful Sigley,2017-03-21 Emily a young lady from the Philippines immigrated to America to join her aunt. The only asset she had when she left home was her strong faith in God to carry her through the great world she was destined to conquer. Through God's grace she found a job in a prestigious firm in Los Angeles. She's incredibly brilliant, courageous and not intimidated by what's ahead of her. These are some of the tools which Emily used to reach her greatest success in becoming the chief quality technical consultant of the Finance Circuit Optimum Company. Luke a very handsome and intelligent young man was a general manager of the firm to which Emily reported for duty. His success in running his department is due to his never daunting leadership. He is greatly admired and respected by the people under his management. Because of his good judgment and influence he eventually got promoted to executive vice president of the company. There was an instant connection between him and Emily ever since they met. Over the years of working together they found strength in one another including lifting each other's spirit when things became grim at work. As time went on their friendship developed into a romantic relationship. As their love for each other grew deeper they relied more and more on the Lord's guidance. Luke's visit to Emily's home in the Philippines and meeting her family became the pivotal point in his quest for happiness and peace. Most of all Emily's world may be as far away from Luke's world but the world they live in is totally in God's hands. Although there is a disparity between Luke's and Emily's world it really didn't matter to them for their deep love for each other will ultimately prevail because love knows no bounds.
