Cinemachismo Sergio de la Mora, 2009-01-27 After the modern Mexican state came into being following the Revolution of 1910 hyper masculine machismo came to be a defining characteristic of mexicanidad or Mexican national identity Virile men pelados and charros virtuous prostitutes as mother figures and minstrel-like gay men were held out as desired and/or

abject models not only in governmental rhetoric and propaganda but also in literature and popular culture particularly in the cinema. Indeed cinema provided an especially effective staging ground for the construction of a gendered and sexualized national identity. In this book Sergio de la Mora offers the first extended analysis of how Mexican cinema has represented masculinities and sexualities and their relationship to national identity from 1950 to 2004. He focuses on three traditional genres: the revolutionary melodrama, the cabaretera (dancehall prostitution) melodrama and the musical comedy buddy movie, and one subgenre: the *fichera* (brothel cabaret) comedy of classic and contemporary cinema. By concentrating on the changing conventions of these genres, de la Mora reveals how Mexican films have both supported and subverted traditional heterosexual norms of Mexican national identity. In particular his analyses of Mexican cinematic icons Pedro Infante and Gael García Bernal and of Arturo Ripstein's cult film *El lugar sin límites* illuminate cinema's role in fostering distinct figurations of masculinity, queer spectatorship and gay male representations. De la Mora completes this exciting interdisciplinary study with an in-depth look at how the Mexican state brought about structural changes in the film industry between 1989 and 1994 through the work of the Mexican Film Institute IMCINE paving the way for a renaissance in the national cinema.

This reference highlights American women writers who continue to build upon the formerly male dominated canon. Included are alphabetically arranged entries for more than 60 American women writers of diverse ethnicity who wrote or published their most significant fiction after World War II. Each entry is written by an expert contributor and includes: L: DBLA brief biography; L: DBLA discussion of major works and themes; DBLA survey of the writer's critical reception; L: DBLA bibliography of primary and secondary sources.

Latina Filmmakers and Writers Jennifer Watson Dean, 2007. Dean examines the works of seven celebrated Latinas who collectively represent a 20 year history of Chicanismo. These works demystify masculine power, offer realistic portrayals of Chicanas and give them a rightful name, image and voice in American culture.

Chicanismo in Film and Literature Jennifer Watson Dean, 2004. Finding both contradiction and dialectical opposition in the Chicano Movement and the Women's Liberation Movement, Chicanas began the Chicana Movement which addressed the specific needs of Chicanas as women of color in the United States. The sense of sisterhood and feminist discourse that emerged within the Chicana Movement and thereafter came to be known as Chicanismo which addressed the issues of race, class and gender and gave Chicanas a rightful name, voice and image. As a way to express Chicanismo, Chicanas began to write literature and produce and direct films. Six artists: Sylvia Morales, Margarita Cota, Crdenas, Lourdes Portillo and Susana
