Loving Your Neighbor:

How to Love Your Neighbor Without Being Weird Amy Lively, 2015-04-28 I want to love my neighbor but I don't know how. Most of us feel guilty about Christ's command to love our neighbor but let's be honest we don't even know most of the people living around us. How can we love people we don't even know? Besides, doesn't it count as loving our neighbor when we send money to missionaries and put out yard signs for our church? Are we supposed to just knock on our neighbors' doors and tell them about Jesus? They'll think I'm weird. How to Love Your Neighbor Without Being Weird helps you overcome fears about getting to know your neighbors and sharing your faith. You'll learn simple practical ways to get to know your neighbors using your God-given personality. As you venture out of the comfort of your living room and into the lives of your neighbors, you'll form authentic friendships, create a safer community, and find fulfillment in obeying Christ's 2nd command. Loving your neighbor isn't a random command; it's God's perfect plan. A very timely book for a very isolated culture, Amy Lively offers practical help and guidance in the neglected practice of hospitality. Dr. Dennis Rainey, president of FamilyLife, says this ministry is changing lives. Amy has followed God's leading into an untapped area of people that need Jesus. What a simple idea of reaching out to your neighborhood, the area that God placed you in for His purposes. Amy's ideas and excellent resources have offered a no-excuse zone for this ministry. The Lord said, "Love me and love your neighbor." He chose Amy to show us the way. Thank you for this amazing resource. Chrissy Dunham, director of women's ministry at Prestonwood Baptist Church, Plano, Texas. Amy knows God has given each of us a corner of the world to share the love of Jesus and the hope found in His Word. Her book equips women spiritually and practically to answer this call and open their hearts and homes to friends and neighbors. Wendy Blight, Proverbs 31 Ministries speaker and author, says Amy's brilliant approach to engaging our neighbors is natural, fun, and life-changing. She provides every single thing you will need, including courage. This book and practice is a must for everyone desiring to honor and obey the Lord. Debbie Stuart, church and leadership development director, Women of Faith, says Amy gives us the keys to really connect with those who live around us, not with an agenda but with a heart toward real relationships. A must read for anyone who believes that love. Thy neighbor really starts at your front door. Kathi Lipp, coauthor of *The Cure for the Perfect Life* and author of *The Husband Project*. With hundreds of friends on social media, why are we so lonely? In her amazing book, Amy Lively identifies the heart need for deep connection that's not being met through a screen and offers a simple solution: Actually meet the people who live near you. Amy's openness to share her successes and failures at reaching out will inspire you to try it yourself. Glynnis Whitwer, author of *Everyday Confetti*, executive director of communications, Proverbs 31 Ministries, says Amy shows us step by step how to conquer our fears, connect with our neighbors, and have fun too. Highly recommend. Cindy Bultema, speaker, Bible teacher, and author of *Red Hot Faith*. What does love your neighbor as yourself really mean? In this book, Amy Lively will give you the tips, tools, and techniques you need to love your neighbor in your own unique way. Jennifer Rothschild, author of *Lessons I Learned in the Dark*, founder of Fresh Grounded.

Ross,2017-11-28 Then one of them who was a lawyer asked him a question trying to tempt him and said Master what is the great commandment in the law Jesus said to him you will love the Lord your God with all your heart and with all your soul and with your entire mind This is the first and great commandment And the second is like the first you will love your neighbor as yourself On these two commandments hangs all of the law and the prophets Matthew 22 35 40 Loving God is not a difficult task for most believers The hard part is learning to love our neighbors Jesus said offenses must come but how do we as Christians learn to love others when they have offended or hurt us We have the fruit of the spirit for tasks such as this It is said the root in us produces the fruit in us but it is the dept of the root that produces the sweetness of the fruit The Scripture teaches us that the good ground brings forth 30 60 or a 100 fold With this in mind how do we nourish a Christ centered root that travels to the depth of our being which produces a 100 fold return Loving our neighbor is only superseded by loving God John said in 1 John 3 23 And this is his commandment That we should believe in the name of his Son Jesus Christ and love one another as he gave us commandments to do This should be placed high in our Christian priorities John also said how can we love God who we cannot see if we do not love our brothers who we can see As Christians we cannot leave this vital commandment left undone if we have any desire to mature in our faith The Second Commandment guides us in strengthening ourselves in love compassion and forgiveness and that our ability to love the unlovely becomes a high priority in our faith The Dangerous Act of Loving Your Neighbor Mark Labberton,2010-11-01 Labberton advises that by seeing others through the eyes of Jesus readers begin to bear the fruit of love towards others that can make a difference

Loving Your Neighbor; A Practical Guide to Keeping the Second Great Commandment Rev. Dave Boston,2023-05-22 Loving Your Neighbor A Practical Guide to Keeping the Second Great Commandment explores what God actually means by the word love Often in our culture we use the word love to mean like very very much as in I love pizza But then there are Bible verses that command us to love our enemies clearly the Lord cannot be asking us to like them very much This book looks first at the heart of love as evidenced by God and others From these scriptural records we can see that spiritual love really means a selfless caring for the other When we love we must start with a motivation that focuses solely on the well being of the other and not on any benefits to self Next as this is a practical guide this book examines pictures of love words that give the reader a picture of how this love might actually practically work in our lives Often these biblical words have both a physical and a figurative usage The physical usage gives us the picture and the figurative usage shows us how to

practically apply this in loving our neighbor Finally the author shows that God has given us tools in the Bible to help us get better at loving our neighbor God gave us the commandment but then He was loving enough to help us love and to help us grow in loving our neighbors *The Second Commandment* Joey R. Peyton,2024-02-07 In an increasingly broken world filled with hate and violence God's plan from the beginning was to save and restore the world to the glory for which he had created it This simple plan has not changed with the evolution of sin time or man's rejection of his creator Rather God's simple twofold plan of redemption included both a commandment to love the creator with all one's heart mind soul and strength and a commandment to love one's neighbor as one's self Neither commandment stands in isolation for one cannot fully love others without a consuming love for God and neither can one completely love God without a love for the neighbor created by God The answer to hate is love the answer to war is love the answer to violence is love and the answer to all of societal disfunction is love The answer is not a commandment to like God and others because one only likes others because of likeness Rather love is a choice A choice to love what you don't like A choice to love what you don't understand A choice to love until the God you love sets everything right in eternity BLESS Dave Ferguson,Jon Ferguson,2021-01-05 What If You Could Change the World without Changing Your Daily Routine When you've been transformed by God's love you can't help but want others to experience the same grace and freedom But how do you share it without scaring them away or offending them For most Christians evangelism is an intimidating word that suggests handing out tracts to strangers or doing other awkward things But what if there was a more organic more authentic way to share your faith with your friends neighbors and coworkers Dave and Jon Ferguson have found five simple straightforward practices that will allow any believer to do just that And by consistently living them out you can affect not just individual lives but your entire neighborhood and community one person at a time **Love God and Love Your Neighbor** Vivian Herman Sanders,2025-04-11 This book is a biblical based manual that teaches the basics of knowing God and loving God Part 1 teaches the critical disciplines of loving God which are the foundation of the Christian faith These disciplines should be used by churches and mentors to teach new believers the basics Part 1 should be used by seasoned believers as the review in whole or in part Season believers should review Part 1 when teaching new believers Part 2 presents the importance of loving our neighbors and how God feels about the priority of helping our neighbors Part 2 also presents the obstacles to loving our neighbors and the snares to our souls through divisions in the church and in politics This manual points out that the only left and right that is important is the eternal left and right Part 2 is yoked with part 1 through James 1:22 Do not merely listen to the word and deceive yourselves do what it says **Loving Your Neighbor As Yourself? (...Yes, Really!)** , *Loving My Actual Neighbor* Alexandra Kuykendall,2019-04-02 As Christians we know we are called to love our neighbor We may even grasp that neighbor encompasses more than just the people living next door or down the street But what we too often don't know is how to begin How do we love our neighbor Where do we start What does this look like in our increasingly isolated world Following

practices outlined in the first chapter of 2 Peter Alexandra Kuykendall lays out the framework for where to begin From practicing humility to listening with understanding to being generous in our relationships Loving My Actual Neighbor offers practical start now steps readers can take to love their neighbors With her approachable friendly tone and down to earth advice Kuykendall has carved out for herself a place in the hearts of readers who will be thrilled to extend her commonsense approach into this sphere of their lives **Loving Your Neighbor** Steve Fales,2020-08 This world is full of people whose lives contain pain struggles and sometimes grand victories They crave an opportunity to tell their stories but finding someone who will listen is extremely difficult Rarer still are those who ask questions pay close enough attention to notice needs and then take appropriate actions Sadly true human connection is scarce There is a solution People have to learn how to love others and love themselves at the same time Not how to navigate starry eyed romantic love but how to express the love that shows up in everyday interactions This book is about just that It s an attempt to present ideas for loving in meaningful ways which can be sensed by a person and make him or her feel cared for It s a curriculum of sorts for becoming an expert in the art of feeling showing and acting out of concern for fellow men and women It s a journey into the dynamic world of one of the greatest endeavors anyone can undertake Loving Your Neighbor A practical guide offers ideas which form the basis for what is arguably the highest and best use of a human being in relation to other human beings loving our neighbor as ourselves
