## **Lowlife Companion The:**

The Literary Companion to Low Life Fiona Pitt-Kethley,1995    Low Life Lucy Sante,2024-03-26 The classic social history of corruption and vice in nineteenth century NYC A cacophonous poem of democracy and greed like the streets of New York themselves John Vernon Los Angeles Times Book Review Lucy Sante s Low Life is a portrait of America s greatest city the riotous and anarchic breeding ground of modernity This is not the familiar saga of mansions avenues and robber barons but the messy turbulent often murderous story of the city s slums the teeming streets scene of innumerable cons and crimes whose cramped and overcrowded housing is still a prominent feature of the cityscape Low Life voyages through Manhattan from four different directions Part One examines the actual topography of Manhattan from 1840 to 1919 Part Two the era s opportunities for vice and entertainment theaters and saloons opium and cocaine dens gambling and prostitution Part Three investigates the forces of law and order which did and didn t work to contain the illegalities Part Four counterposes the city s tides of revolt and idealism against the city as it actually was Low Life is one of the most provocative books about urban life ever written an evocation of the mythology of the quintessential modern metropolis which has much to say not only about New York s past but about the present and future of all cities    *Low-Life Deeps: an account of the strange fish to be found there ... With illustrations ... by A. Concanen* James GREENWOOD (Novelist),1876    Low-life Deeps

James Greenwood,1876    **The Low Life** Brian Doyle,2002 Rarely in Canada has a writer painted such an evocative funny and bittersweet portrait of a time and place as Brian Doyle has in his novels of the Gatineau River and of Ottawa Doyle is highly acclaimed within and without Canada for his body of work The first Canadian to be selected as a finalist for the prestigious Hans Christian Andersen Award the Little Nobel he has repeatedly won the Canadian Library Association s Book of the Year Award His books have been selected for the Horn Book s Fanfare List and he has been published in many countries The novels collected in this book have been made into plays films and even an opera But perhaps the most important tribute paid to Doyle s work has been the continuous high sales of his books as generations of readers have come to know and love his marvellous boy characters such as Hubbo O Driscoll Young Tommy and Mickey and their fabulous girlfriends Margo the only girl in the world Baby Bridget the girl with the trillium shaped eyes and Fleurette Featherstone Fitchell who wears a rag in her long curly black hair as well as the most unforgettable dog in Canadian literature Nerves The novels take place from 1895 to the early post war years They illuminate a part of our collective past and present in an eloquent and touching way while moving us to side splitting laughter This collection proves what many have long suspected Brian Doyle is quite simply one of Canada s greatest writers Book jacket    Low Life - Irreverent Reflections from the Bottom of a Glass Jeffrey Bernard,2019-11-28 Described as the Tony Hancock of journalism for forty years Bernard wrote only about himself and the failures of his life with women drink doctors horses which have become legendary Low Life is an irresistible collection of the best of Bernard s celebrated autobiographical contributions to The Spectator once described as a

suicide note in weekly instalments Previously published in two volumes entitled Low Life A Kind of Autobiography and Reach for the Ground these books are now available in a single volume containing all his derisive reflections on life Antiauthoritarian grumpy charming politically incorrect funny drunk and always mischievous Bernard could usually be found at the Coach and Horses pub on London s Greek street a lit cigarette in his mouth and a drink in hand He was joined by famous friends including Francis Bacon Lucian Freud Graham Green Peter O Toole Ian Fleming and many others and their conversations as well as with whomever was tending bar at the time served as the basis for his writing There were in fact times when he was too drunk to write hence the famous unwell notice that went next to the large hastily sketched cartoon that filled its space in the magazine   **The Best of No Depression** Grant Alden,Peter Blackstock,2005-09-01 To celebrate the tenth anniversary of alternative country music magazine No Depression this anthology contains 25 of the magazine s best and most representative feature articles on venerated artists and songwriters of genuine American roots music   **The**
