

LOYALIST RESOLVE

*Patient Fortitude
in the English Civil War*

Raymond A. Anselment

Loyalist Resolve

Raymond A. Anselment

Loyalist Resolve:

Loyalist Resolve Raymond A. Anselment, 1988 This study analyzes a series of complex ambivalent literary responses to the decades of civil turmoil in seventeenth century England that simultaneously demanded public commitment and prompted private withdrawal From their various perspectives the Royalist writers raised in the humanist tradition are shown to appreciate anew the value of patient fortitude

The Edge of the Union : The Ulster Loyalist Political Vision

Steve Bruce, 1994-07-12 On the twenty fifth anniversary of the Northern Ireland Troubles the Ulster Loyalists are an increasingly alienated people In this timely book Steve Bruce provides crucial insights into the Loyalist world view Describing the troubles as a deeply entrenched ethnic conflict he argues that a widespread failure to take into account the strength and importance of the loyalist identity will scupper the chances of peace On the twenty fifth anniversary of the Northern Ireland Troubles Ulster's once dominant unionists are an increasingly alienated people In this timely assessment of the prospects for peace Steve Bruce examines the embittered world view of two key sections of Ulster unionism loyalist terrorists and the evangelical supporters of Ian Paisley To get to the heart of the unionist position he asks how they see the last twenty five years what they want from the future what they think they will get what they will accept and what they will fight to oppose Professor Bruce describes the Troubles as a deeply entrenched ethnic conflict He argues that a failure to appreciate the strength of the loyalist identity has prevented a proper understanding of the Troubles and that continued neglect of the majority makes strategies for peace pointless or counter productive On Steve Bruce's previous book God Save Ulster his interpretation of the Northern Ireland problem can be considered amongst the most satisfying in the literature Times Higher Education Supplement an intelligent and at times brilliant attempt to understand a particular religious outlook New Statesman Publishing on Orange Day 12 July

From Revolution to Reunion Rebecca Brannon, 2016-09-01

This social history of post Revolutionary South Carolina examines the successful reconciliation of Patriots and Loyalists The American Revolution was a vicious civil war fought between families and neighbors Nowhere was this truer than in South Carolina Yet after the Revolution South Carolina's victorious Patriots offered vanquished Loyalists a prompt and generous legal and social reintegration From Revolution to Reunion investigates the way in which South Carolinians Patriot and Loyalist managed to reconcile their bitter differences and reunite to heal South Carolina and create a stable foundation for the new United States Rebecca Brannon considers rituals and emotions as well as historical memory to produce a complex and nuanced interpretation of the reconciliation process in post Revolutionary South Carolina detailing how Loyalists and Patriots worked together to heal their society She frames the process in a larger historical context by comparing South Carolina's experience with that of other states Brannon highlights how Loyalists apologized but also became vital contributors to the new experiment in self government and liberty In return the state government reinstated almost all the Loyalists by 1784 South Carolinians succeeded in creating a generous and lasting reconciliation between former enemies but in the process they

downplayed the dangers of civil war which may have made it easier for South Carolinians to choose that path a second time

Royalists and Royalism in 17th-Century Literature Philip Major, 2019-09-23 Author of plays love lyrics essays and among other works The Civil War the Davideis and the Pindarique Odes Abraham Cowley made a deep impression on seventeenth century letters attested by his extravagant funeral and his burial next to Chaucer and Spenser in Westminster Abbey Ejected from Cambridge for his politics he found refuge in royalist Oxford before seeing long service as secretary to Queen Henrietta Maria and as a Crown agent on the continent In the mid 1650s he returned to England was imprisoned and made an accommodation with the Cromwellian regime This volume of essays provides the modern critical attention Cowley's life and writings merit **Transactions of the Colonial Society of Massachusetts** Colonial Society of Massachusetts, 1913

Writings of Exile in the English Revolution and Restoration Philip Major, 2016-02-11 Writings of Exile in the English Revolution and Restoration opens a window onto exile in the years 1640 1680 as it is experienced across a broad spectrum of political and religious allegiances and communicated through a rich variety of genres Examining previously undiscovered and understudied as well as canonical writings it challenges conventional paradigms which assume a neat demarcation of chronology geography and allegiance in this seminal period of British and American history Crossing disciplinary lines it casts new light on how the ruptures and in some cases liberation of exile in these years both reflected and informed events in the public sphere It also lays bare the personal psychological and familial repercussions of exile and their attendant literary modes in terms of both inner mental withdrawal and physical displacement

From Loyalists to Loyal Citizens Valerie H. McKito, 2015-08-10 Challenges the traditional perception that Loyalists were ostracized as traitors to the United States after the American Revolution The DePeyster family of New York was one of the first families of New Amsterdam ranking among the wealthiest of New York during the early days of the American Republic The DePeysters were also unapologetic Loyalists serving in the King's forces during the American Revolution After the war the four sons left the United States for Canada and Great Britain Ten years later one son Frederick DePeyster returned to New York embraced his Loyalist past and utilized his British connections to become a prominent and successful merchant The DePeysters went on to become true Patriots zealously supporting US interests in the War of 1812 This book examines the forces at work in the lives of the DePeyster family and the decisions they made to navigate their way from loyal subjects of the British crown to loyal citizens of the United States How this transformation occurred challenges many of the preconceived ideas we hold both about the Revolution and the formation of the American identity in the years following the war From Loyalists to Loyal Citizens recasts the image of the Loyalist into a more sympathetic mold These people were not one dimensional ideologues but human beings with all the concerns cares and hopes of other Americans McKito has crafted a persuasive study of Loyalists in the aftermath of the tumultuous Revolutionary War looking at the DePeyster family of New York to understand how many Loyalists returned from exile and successfully reconciled themselves with the young American republic Joshua M

Smith author of Borderland Smuggling Patriots Loyalists and Illicit Trade in the Northeast 1783 1820 From Loyalists to Loyal Citizens is an intriguing look at exiled Loyalist Frederick DePeyster and his family and how easily they reentered the society and business world of republican New York Both former Loyalists and Patriots quickly returned to the goal of making money The account of life in Canada is especially good Philip Ranlet author of The New York Loyalists Second Edition

Loyalist Writings Wilbur Henry Siebert,1921 **Royalism and Poetry in the English Civil Wars** J. Loxley,1997-10-27 English

literary history has long incorporated the category of Cavalier verse and the critical presuppositions that have shaped such a category continue even now to determine the ways in which much civil war writing is read Through a detailed study of both manuscript and printed texts James Loxley arrives at an account of the interaction between poetry and royalist political activity which for the first time presents a sustained and coherent challenge to such presuppositions

Adopting the Track of Appearance: An Psychological Symphony within **Loyalist Resolve**

In a global taken by monitors and the ceaseless chatter of fast transmission, the melodic splendor and emotional symphony developed by the published word often disappear into the backdrop, eclipsed by the persistent sound and disturbances that permeate our lives. But, set within the pages of **Loyalist Resolve** a stunning literary value brimming with raw emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, this captivating masterpiece conducts viewers on an emotional trip, skillfully unraveling the hidden melodies and profound impact resonating within each carefully crafted phrase. Within the depths of this emotional analysis, we shall explore the book is central harmonies, analyze their enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
