Court of Claims,1911 *Register of the Military Order of the Loyal Legion of the United States* ,1906 **The Athenaeum** ,1884 Hunting Troubles Laura Beck,Maurice Saß,2025-02-28 This volume examines the cultural history of European and North American hunting from the Middle Ages to the present day from the perspective of gender as well as animal studies It demonstrates that the hunting and killing of animals was and still is a highly codified activity that creates reinforces and sometimes undermines a variety of differences This construction and deconstruction of difference applies not only to the relationship between humanity and animality but also to the relationships between human agents with respect to their gender By applying a comprehensive and interdisciplinary approach this collection dissects the many ways in which hunting often classified as a typically male activity participates on the one hand in the naturalization of gender differences and related binary asymmetries but on the other can sometimes open up a space in which gender boundaries become unsettled and blurred More than any other activity the practice of hunting which is controversial at least in terms of animal ethics seems to lend itself to the negotiation of both what is perceived as human and what as animal and what is seen as masculine and what as feminine *Distilling Democracy* Jonathan Zimmerman,1999 Zimmerman educational history New York U examines the history of Scientific Temperance Instruction a curriculum on the evils of alcohol which was originally developed and advocated by a grassroots movement and ultimately was mandated in all American schools for a time He traces today s debate on drug and alcohol education to issues raised in this seminal episode The debate over STI claims Zimmerman was really about the balance between expertise and populist desire in determining what should be taught to America s children Annotation copyrighted by Book News Inc Portland OR Irish Agricultural and Creamery Review ,1924
