Magic at the Crossroads Kate Freuler, 2025-08-05 Explore the Forbidden Path of the Ultimate Rebel When you separate the religious dogma from the symbolic nature of the devil who really is he Kate Freuler presents the infamous figure as a symbol not a deity and reveals how to use this radical philosophy to strengthen yourself and your witchcraft The devil represents rebelling against all powerful oppressive systems of any kind Through historical references religious writings and pop culture this book explores the intersection between witchcraft and the rebel archetype Freuler dispels common myths providing examples from a variety of texts and personal stories about her own connection to this misunderstood symbol She also shares a variety of hands on rituals you can use for self empowerment From the devil s relationship with the old gods to the shadow work associated with him Magic at the Crossroads invites you to see this controversial symbol with new eyes

Riding Lucifer's Line Bob Alexander, 2013 The Texas Mexico border is trouble Haphazardly splashing across the meandering Rio Grande into Mexico is or at least can be risky business hazardous to one s health and well being Kirby W Dendy the Chief of Texas Rangers corroborates the sobering reality As their predecessors for over one hundred forty years before them did today s Texas Rangers continue to battle violence and transnational criminals along the Texas Mexico border In Riding Lucifer s Line Bob Alexander in his characteristic storytelling style surveys the personal tragedies of twenty five Texas Rangers who made the ultimate sacrifice as they scouted and enforced laws throughout borderland counties adjacent to the Rio Grande The timeframe commences in 1874 with formation of the Frontier Battalion which is when the Texas Rangers were actually institutionalized as a law enforcing entity and concludes with the last known Texas Ranger death along the border in 1921 Alexander also discusses the transition of the Rangers in two introductory sections The Frontier Battalion Era 1874 1901 and The Ranger Force Era 1901 1935 wherein he follows Texas Rangers moving from an epochal narrative of the Old West to more modern technological times Written absent a preprogrammed agenda Riding Lucifer s Line is legitimate history Adhering to facts the author is not hesitant to challenge and shatter stale Texas Ranger mythology Likewise Alexander confronts head on many of those critical Texas Ranger histories relying on innuendo and gossip and anecdotal accounts at the expense of sustainable evidence writings often plagued with a deficiency of rational thinking and common sense Riding Lucifer s Line is illustrated with sixty remarkable old time photographs Relying heavily on archived Texas Ranger documents the lively text is authenticated with more than one thousand comprehensive endnotes
