**Hierophantic Landscapes** Richard Leviton, 2011-09-26 The Earth is poised to make a great disclosure Its a hierophant But whats a hierophant A person who reveals the holy light But it can also be a landscape or a planet And whats the holy light It is the structure of reality and consciousness a map of the heavenly realms the engineering blueprint of Creation Some people call this imminent disclosure the Apocalypse and run for cover But that is mistaken Apocalypse means the revelation of the divine revelation It means the end of our picture of the world as we know it The world itself will be fine even better than fine Splendid Illumined The Architect of reality lays down His cards face up and you see the whole deck Here is the truth of yourself and the Earth How will this disclosure work What we call sacred sites and holy landscapes will start revealing themselves in full to us in all their geomantic and visionary richness Thats the inner patterning of their design their arrays of Light temples and subtle palaces primed for our visionary adventures and edification The Earth needs us to have these adventures and visions because thats how we keep the planet healthy Hierophantic Landscapes visits five landscapes from Norway and England to California and Mexico providing firsthand reports on the visions and adventures of a small band of geomancers as they seek to unravel the mysteries of the Earth Maybe not such a small band because along the way we encounter angels landscape devas Nature Spirits and otherworldly mentors and revel in vistas of the ancient past of the Earth when that revelation was as fresh as a sunrise as it will soon be again Lucifer, 1894 *Walking in Albion* Richard Leviton, 2010-04-22 FICTION Take a visionary walk through the cosmos right here on the Earth What if you woke up one morning and realized you are the cosmos all the heavenly realms and gods and a refl ection of God Himself Herself Th at you and the Earth have the same structures of consciousness are made virtually the same Walking in Albion is an amusing passionate fi rst person answer to that It

chronicles interactions with the Earth through its sacred sites in a style full of jokes and visions whinges and epiphanies Leviton reports life on the path of the Christed Grail Knight in search of a cosmic spirit called Albion the cosmos in a giant human form the soul of the planet Albion is a picture map of Creation full of lights and palaces and the memories of humanity on Earth since the beginning Join Leviton in an odyssey of meditation and visionary experience from sites in Norway France England and Scotland to America Mexico and Tahiti Oh yes he travels with plenty of sidekicks jokers and wellwishers especially angels Want a freshly conceived meditative spiritual experience that includes the Earth as a prime recipient of your contacts and changes Walking in Albion is an unusual and original approach to the Mysteries of human and Earth a fresh bold way of regarding the authentic Christ not as dogma but experience yours in the theater of the Earth Plus guidelines to relate effectively with the geomantic landscape and have fun and insight doing it as you contribute to the Earth's well being starting today and begin **Zion's Watch Tower and Herald of Christ's Presence**, 1930 *Where Were You Before The Tree of Life?
