Lucky To Be Alive:

Lucky to be Alive Evelina Zarkh, Ellen Goodenow, Christopher Mitten, 2001 **Crossing Back Over** Brett

Stevens, 2020-12-16 Brett's most recent manic episode has derailed him from life as the director of operations at a prominent software start up in Texas. He is now at home fully dependent on his mother and officially diagnosed with bipolar disorder. Brett is terrified. He has no guarantees on his long term health, no understanding of how his medication works, and is still dealing with hell-like anxiety, restlessness, mania, and depression. *Crossing Back Over: The Practice of Owning and Accepting Bipolar Disorder* details Brett's battle with taming the beast that is bipolar. Written in the same style as part 1 of his story *Crossover: A Look inside a Manic Mind*, *Crossing Back Over* sheds light on what true recovery looks and feels like from a firsthand account. No matter the environment, recovering from a serious event takes hard work, discipline, patience, and acceptance. *Crossing Back Over* allows the reader to peek behind the curtain of an individual determined to find a happy life even with his chronic brain disorder. This book is valuable for anyone who is facing a deeply personal challenge. *The Woman He Loved Before* Dorothy Koomson, 2018-08-09 Libby has a good life with a gorgeous husband and a home by the sea. But over time she is becoming more unsure if Jack has ever loved her and if he is over the death of Eve, his first wife. When fate intervenes in their relationship, Libby decides to find out all she can about the man she hastily married and the seemingly perfect Eve. But in doing so, she unearths some devastating secrets. Frightened by what she finds and the damage it could cause, Libby starts to worry that she too will end up like the first woman Jack loved. *Nineteen Eighty* David

Peace, 2009-09-08 Continuing the narrative begun with *Nineteen Seventy Four* and *Nineteen Seventy Seven*, this electrifying third installment of David Peace's Red Riding Quartet demonstrates a skill that goes above and beyond the limits of the genre. While Yorkshire is terrorized by the Ripper, the corrupt police continue to prosper. To give the case some new life, Peter Hunter, a clean cop from nearby Manchester, is brought in to offer a fresh perspective. As he goes about setting up a new case under the radar, he suffers the same fate as those who previously attempted to get in the way of the Ripper: his house is burned down, his wife threatened. But he soldiers on. And as he comes face to face with unthinkable evil, Hunter struggles to maintain his reputation, his sanity, and his life. **Lucky To Be Here** Dr. Patrick C. Horton, 2024-05-29 When Dr. Patrick C. Horton was wounded on the battlefield during Operation Iraqi Freedom, his life was endangered in more ways than one. The brush with death woke him up to what takes many people a lifetime to discover: We are lucky to be here, and it is our sacred opportunity to figure out what we want to achieve. With candor and insight, Dr. Horton outlines how living with leadership, character, passion, and determination helped him leave behind the foibles of his youth to achieve executive and entrepreneurial success. Even more importantly, he outlines how readers can pinpoint and pursue their own goals for an unapologetically successful existence in which they too feel lucky to be here.
