

# Lucrezia Borgia

Lucrace Borgia

**Maria Bellonci**

## **Lucrèce Borgia:**

**Lucrezia Borgia** Sarah Bradford, 2005-11-01 The very name Lucrezia Borgia conjures up everything that was sinister and corrupt about the Renaissance incest political assassination papal sexual abuse poisonous intrigue unscrupulous power grabs Yet as bestselling biographer Sarah Bradford reveals in this breathtaking new portrait the truth is far more fascinating than the myth Neither a vicious monster nor a seductive pawn Lucrezia Borgia was a shrewd determined woman who used her beauty and intelligence to secure a key role in the political struggles of her day Drawing from a trove of contemporary documents and fascinating firsthand accounts Bradford brings to life the art the pageantry and the dangerous politics of the Renaissance world Lucrezia Borgia helped to create **Lucretia Borgia, M.D.; or, la Grande doctresse. An original burlesque extravaganza. Founded on a famous opera [i.e. "Lucrezia Borgia" by F. Romani].** Henry James Byron, 1871

Lucrezia Borgia Emma Lucas, 2014-10-20 The stories about the Lucrezia Borgia's life ruthless manipulator possessor of a poison ring sexual predator often overshadow the more nuanced and fascinating story of her life She was born on April 18 1480 the illegitimate daughter of future Pope Alexander VI then Cardinal Rodrigo Borgia and his long time mistress Vannozza dei Cattanei She inherited her mother's stunning looks she was known for her slender figure gray blue eyes and blonde hair When her father became pope he sought to consolidate his power and arranged a marriage between fourteen year old Lucrezia and the first of her three husbands twenty eight year old Giovanni Sforza Shortly after the marriage Alexander concluded he no longer needed an alliance with the Sforza family He ordered Giovanni's assassination but when the young bridegroom escaped ended Lucrezia's marriage by ordering an annulment Following the lengthy annulment process during which Lucrezia was accused of having an affair and a child with Alexander's chamberlain Pedro Calderon whose body was later found floating in Rome's Tiber River where he fell against his will Lucrezia was married to Alfonso of Aragon in 1498 Alexander appointed a pregnant Lucrezia governor of the Umbrian town of Spoleto in 1499 Alfonso wary of shifting political alliances fled Rome for a brief time but returned in 1500 where he was murdered Alfonso left Lucrezia with a son Rodrigo After Alfonso's conveniently timed murder Alexander arranged a third marriage for Lucrezia to Alfonso I d Este a powerful duke The two had several children and Lucrezia came into her own as a Renaissance woman overcoming her scandalous reputation despite several affairs and maintaining her position and power as the Borgia family's influence and fortunes fell following Alexander's death Lucrezia Borgia was a woman of and ahead of her time Here is her little told story

**The Life and Times of Lucrezia Borgia** Maria Bellonci, 2003 Maria Bellonci depicts Lucrezia as a passionate womanly figure moving uncertainly through the Papal court and through the intrigues ambitions and political chicanery that swirled about her Married three times for her family's political advantage Lucrezia also entertained for her own pleasure a long list of eminent lovers particularly the poet Pietro Bembo Her father Pope Alexander VI emerges as a fiercely devoted parent while the catlike and sinister Cesare Borgia is seen as a relentless and unscrupulous power seeker **Lucretia Borgia**

Ferdinand Gregorovius, 2019-11-25 In *Lucretia Borgia* Ferdinand Gregorovius delves into the life of one of history's most controversial and enigmatic figures. Combining rigorous historical research with a narrative style that is both vivid and engaging, Gregorovius paints a portrait of Lucretia Borgia as a woman navigating the treacherous waters of Renaissance Italy. The author contextualizes her life within the sociopolitical intrigues of the period, providing readers with not only a biographical account but also a broader understanding of the power dynamics that shaped her existence. His adept use of primary sources and contemporary accounts enriches the text, allowing it to serve as both a captivating story and a scholarly resource. Ferdinand Gregorovius was a German historian and writer renowned for his deep interest in the Italian Renaissance and his acute understanding of the Borgia family's complex legacy. A passionate traveler and scholar, Gregorovius's extensive studies in Italy led him to uncover lesser-known aspects of historical figures, particularly Lucretia, whom he portrays with a blend of sympathy and critical analysis. His background in Classical studies and personal experiences in Italy profoundly influenced his approach to this narrative. *Lucretia Borgia* is a must-read for anyone fascinated by Renaissance history, gender studies, or the intricacies of power. Gregorovius's balanced examination of Lucretia's character adds depth to our understanding of her life, encouraging readers to reassess the narratives that surround notorious women in history. This book stands as an essential contribution to historical literature, inviting readers to uncover the truth behind the myth.

*Lucrezia Borgia* Ferdinand Gregorovius, 2021-01-19 *Lucrezia Borgia* is among the most fascinating and controversial personalities of the Renaissance. This biography by German historian Ferdinand Gregorovius goes beyond myth and romance that has obscured the fascinating story of Lucrezia Borgia. It is enhanced with an introduction by Samantha Morris, a noted expert on the history of the Borgias.

*Cesare and Lucrezia Borgia* Samantha Morris, 2020-12-28 This myth-busting biography reveals the fascinating true lives of Renaissance Italy's most infamous brother and sister. Salacious rumors have shrouded the Borgia family for centuries. In particular, tales of murder and incest have stuck to the names of Cesare and Lucrezia. But in this enlightening biography, Samantha Morris separates fact from fiction, presenting these two fascinating individuals from their early lives through their years at the Vatican and their untimely deaths. Morris begins her narrative in the bustling metropolis of Rome, where the siblings were caught up in the dynastic plans of their father, Pope Alexander VI. Though they were not the villains depicted in popular media, their intertwined lives were full of ambition, intrigue, and danger. Drawing on both primary and secondary sources, Morris follows Cesare through his cardinalship and military career and Lucrezia through her multiple arranged marriages and her rule over Spoleto.

*Lucrezia Borgia* Ferdinand Gregorovius, 1948

**Lucrezia Borgia, Duchess of Ferrara**, 1869 *Lucrezia Borgia, Duchess of Ferrara. A biography. Illustrated by rare and unpublished documents* William GILBERT (Novelist), 1869
