Lucy Terry Prince Singer Of History:

Lucy Terry Prince: David R. Proper, 1992 [Love of Freedom](#) Catherine Adams, Elizabeth H. Pleck, 2010-02-01 [Love of Freedom](#) explores how black women in colonial and revolutionary New England sought not only legal emancipation from slavery but defined freedom more broadly to include spiritual, familial and economic dimensions [A History of Nineteenth-Century American Women's Poetry](#) Jennifer Putzi, Alexandra Socrades, 2016-12-15 [A History of Nineteenth-Century American Women's Poetry](#) is the first book to construct a coherent history of the field and focus entirely on women's poetry of the period. With contributions from some of the most prominent scholars of nineteenth century American literature, it explores a wide variety of authors, texts and methodological approaches. Organized into three chronological sections, the essays examine multiple genres of poetry, consider poems circulated in various manuscript and print venues, and propose alternative ways of narrating literary history. From these essays, a rich story emerges about a diverse poetics that was once immensely popular but has since been forgotten. This History confirms that the field has advanced far beyond the recovery of select individual poets. It will be an invaluable resource for students, teachers and critics of both the literature and the history of this era [Saltwater](#) Mary Eyring, 2025-02-17 [Death is easy to locate in the archives of early America](#) Grief is not so easily pinned down. Yet it was a near constant companion for the men and women that settled in what is now New England. Their lives were a kaleidoscope of small scale tragedies that suffused and colored everyday experiences. This pervasive suffering was exacerbated by unfamiliar environments and exposure to the anguish of Indigenous and Black Americans. Unsettling, well-worn frameworks to produce new dimensions of everyday grief. Mary Eyring traces these fleeting, often mundane glimpses of grief in the archives: a note about a sailor maimed during a whaling voyage, the hint of a miscarriage in a court record, the suggestion of domestic violence within a tract on witchcraft, a house sent up in flames at the opening of a captivity narrative. To show how the cumulative weight of grief created a persistent mood that influenced public and private affairs in sweeping ways largely unexamined by previous scholars. With piercing insights and evocative prose, Eyring follows grief across generations and oceans to reveal a language of suffering understood and shared across diverse early American communities.

[Making Freedom](#), 2004 Outstanding curriculum resource with clear objectives and meaningful activities. Each volume has an accompanying CD ROM in a separate folder that is packed with primary source documents [A History of Women in the United States](#) Doris Weatherford, 2004 This four volume reference is intended for high school students and above, as well as the general public. The first volume opens with introductory essays on the history of feminism, on women in various eras from early America through World War II and postwar eras, and on women's history in terms of political participation and social activism, race and ethnicity, and cultural representation. These essays are signed and include references. Following are alphabetically arranged state articles, each opening with a literary quote by a woman and comprising a narrative history supplemented with boxed features spotlighting events, people, and trends, a timeline, a biographical section on prominent

Pastkeepers in a Small Place Michael C. Batinski, 2004 How ordinary people use the past to shape their sense of self and community People know who they are by fixing themselves in place and time They keep the past in numerous ways not simply by writing histories but also by telling stories creating pictures collecting memorabilia preserving old homes and tracing genealogies As Michael C Batinski shows in this imaginative study the pastkeepers of Deerfield Massachusetts have long illustrated this human yearning to connect with past and place For five centuries people in this small New England town have passed stories from one generation to the next preserved homes and established one of the nation s first historical societies and local history museums Like many small places in the American landscape Batinski points out Deerfield does not fit into the history we learn in textbooks With the exception of the famous French and Indian raid on the town in 1704 nothing of national significance has happened there Yet that has not diminished the interest of local inhabitants in establishing and maintaining a vital connection to the past Different groups from Native Pocumtuck to Puritan settlers to the grandchildren of Pol
