Lesson 1: Pulse in Music

Week 1

Introduction

In music, the duration of sound and silence is important. Duration refers to how long and how short tones and silence last. These tones and silence follow a certain beat. Beat can be felt with or without sound. We clap, walk, tap, march, dance, and play musical instruments to show the rhythm and beat of music.

Activity I

Sing "Leron, Leron Sinta" and move to the rhythm of the song.

Remember:

- The symbol (**l**) shows the pulse of the sound.
- **Rest** (**z**) is the symbol used to show silence.
- We can feel the pulse through clapping, tapping, walking, chanting, and playing rhythmic instruments.

The New Handbook of Research on Music Teaching and Learning Richard Colwell, Carol Richardson, 2002-04-18 Featuring chapters by the world's foremost scholars in music education and cognition this handbook is a convenient collection of current research on music teaching and learning This comprehensive work includes sections on arts advocacy music and medicine teacher education and studio instruction among other subjects making it an essential reference for music education programs The original Handbook of Research on Music Teaching and Learning published in 1992 with the sponsorship of the Music Educators National Conference MENC was hailed as a welcome addition to the literature on music education because it serves to provide definition and unity to a broad and complex field Choice This new companion volume again with the sponsorship of MENC explores the significant changes in music and arts education that

have taken place in the last decade. Notably several chapters now incorporate insights from other fields to shed light on multi-cultural music education, gender issues in music education and non-musical outcomes of music education. Other chapters offer practical information on maintaining musicians' health, training music teachers and evaluating music education programs. Philosophical issues such as musical cognition, the philosophy of research, theory, curriculum and educating musically are also explored in relationship to policy issues. In addition to surveying the literature, each chapter considers the significance of the research and provides suggestions for future study. Covering a broad range of topics and addressing the issues of music education at all age levels from early childhood to motivation and self-regulation, this handbook is an invaluable resource for music teachers, researchers and scholars.

Private Music Lessons Colleen M. Conway, 2019-09
This book is for any music teacher working with elementary, middle school and high school students in a private lesson setting. Materials for this text have been developed over 30 years of private teaching and have specifically been piloted with undergraduate and graduate music performance students at the University of Michigan as they work to improve their teaching methods with their own private students.

Teaching Music to Children Blair Bielawski, 2010-09-01 designed to give elementary teachers with no formal music training all the tools they need to help their students develop an understanding and appreciation for music.
