Love Without Pity:

Living in Time Albert Gelpi, 1998-02-19 The Oxford poets of the 1930s W H Auden C Day Lewis Stephen Spender and Louis MacNeice represented the first concerted British challenge to the domination of twentieth century poetry by the innovations of American modernists such as Ezra Pound and William Carlos Williams Known for their radical politics and aesthetic conservatism the Auden Generation has come to loom large in our map of twentieth century literary history Yet Auden's voluble domination of the group in its brief period of association and Auden's sway with critics ever since has made it difficult to hear the others on their own terms and in their own distinct voices Here rendered in eloquent prose by one of our most distinguished critics of modern poetry is the first full length study of the poetry of C Day Lewis a book that introduces the reader to a profoundly revealing and beautifully wrought record of his poetry against the cultural and literary ferment of this century Albert Gelpi explores in three expansive sections the major periods of the poet's development beginning with the emergence of Day Lewis in the thirties as the most radical of the Oxford poets An artist who sought through poetry a way of living in time without traditional religious assurances Day Lewis went further than his friends in seeking to forge a revolutionary poetry out of his commitment to Marxism When Stalinism led to his resignation from the Communist Party Day Lewis in the forties went on to shape a rich fiercely perceptive poetry out of the convergence of the wartime crisis with the explosive events of his own inner life intensified by the erotics of a decade long affair Returning to his Irish roots and meditating on the persistent tension between agnosticism and faith in the work of his third and final period Day Lewis wrote some of the most moving poems in the language about mortality and dying the limits and possibilities of human striving Through the traumatic changes of his life C Day Lewis came increasingly to depend on the intricacies of poetry itself as a way of living in time His abiding belief in the psychological and moral functions of poetry impelled him in his critical writings and in his own poetic practice to delineate a modern poetics that presents an effective alternative to the elitist experimentation associated with Modernism This vital revisionist reading of Day Lewis demonstrates that much of his best work was written after the thirties and establishes him as one of the most significant and accomplished British poets of the modern period

Love Tony Milligan, 2014-10-14 What is love What is it to be loved Can we trust love Is it overrated These are just some of the questions Tony Milligan pursues in his novel exploration of a subject that has occupied philosophers since the time of Plato Tackling the mood of pessimism about the nature of love that reaches back through Schopenhauer and Kierkegaard he examines the links between love and grief love and nature and between love of others and loving oneself We love too few things in the world Milligan concludes adding that we need to be loved too to appreciate our own value and the worth of life itself

The Complete Works of C. H. Spurgeon, Volume 2 Spurgeon, Charles, 2015-02-23 Volume 2 Sermons 54 106 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most

notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon *Spurgeon s Sermons Volume 02: 1856 Revised* Charles Haddon Spurgeon, **Olde Penn**, 1920
