## Love Tide:

**Married Love** Marie Carmichael Stopes, 2004 In my own marriage I paid such a terrible price for sex ignorance that I feel that knowledge gained at such a cost should be placed at the service of humanity The book that was to become Married Love grew from Marie Stopes's conviction that the state of modern middle class marriage was like her own desperate and that the cause of this desperation was sexual unhappiness She knew her book would probably electrify this country and it remains one of the best known sex manuals ever written It combines a lyrical evocation of marital love with a no nonsense and detailed account of sexual intercourse and sexual pleasure that was a sensation when it was published in 1918 Stopes advocated equality in marriage and the importance of women's sexuality and sexual desire as well as openly supporting birth control In this edition of Stopes's ground breaking work Ross McKibbin's introduction reveals fascinating insights into Stopes and prevailing attitudes to class religion science and above all sex *Married Love or Love in Marriage* Marie Stopes, 2021-06-08 Married Love or Love in Marriage 1918 is a book on reproductive health by Marie Stopes Banned in the US and scorned by the British establishment Married Love or Love in Marriage was controversial for its openness regarding sex and the use of contraceptives between husbands and wives While relatively conservative by today's standards the pioneering work was an essential bestselling book that guided generations of men and women on how to nurture happy healthy sexual relationships without increasing the stresses of motherhood and everyday life More than ever to day are happy homes needed It is my hope that this book may serve the State by adding to their number Its object is to increase the joys of marriage and to show how much sorrow may be avoided Working with this goal in mind Marie Stopes set out to rewrite the rulebook on sexual relationships between married men and women Published the same year that she opened the first birth control clinic in the United Kingdom Married Love or Love in Marriage pursued the thesis that desire and happiness could be nurtured within the home between a husband and wife by educating men and women on the use of contraceptives An immediate bestseller Stopes's work marked a seismic shift in discourse on women's reproductive health paving the way for many of the reforms and attitudes some take for granted today Risking her reputation and leaving behind a successful career in paleobotany Stopes dedicated herself to the rights of women in England and around the world for whom the burden of motherhood often proved not only limiting but detrimental to their physical and mental health With a beautifully designed cover and professionally typeset manuscript this edition of Marie Stopes Married Love or Love in Marriage is a classic of British scientific literature reimagined for modern readers *Married Love* Marie Carmichael Stopes, 1918 *Sexology Uncensored* Lucy Bland, Laura Doan, 1999 In the late 19th century early pioneers of the new field of sexology examined and classified sexual behaviors identities and relations data long restricted from public access Extracts dating from the 1880s to the 1940s compiled in one volume for the first time form an invaluable record for all those interested in how we have come to think about sex and sexuality over the last 100 years **Practical Methods for Self**
