The Red-Haired Giants of Lovelock Cave and Other Ancient Mysteries

Floyd Wills,2022-09-19 Nevada s Paiutes spoke of a race of statuesque red headed cannibals who attacked and ate members of the surrounding tribes Eventually the Paiutes destroyed them in Lovelock Cave In 1911 miners discovered the remains of giant red headed mummies and thousands of artifacts The artifacts were excavated and disbursed to several museums but the mummies disappeared from public view What happened to the giant mummies and why were they hidden from the public Floyd Wills s investigation into Lovelock Cave s mystery reveals compelling evidence that the red haired giants Paiute tales were true Mr Wills supports his belief with newspaper articles Native American accounts of giants eyewitness testimony photographs of skeletal remains and artifacts found in and around Lovelock Cave Other strange historical topics covered include the Nazca Mummies the Flores Hobbits of Indonesia the Biblical Giants or The Nephilim the Elongated Skull People of Paracas Peru the Ica Stones and the Acambaro Dinosaur Figurines

The Lovelock Cave Mystery

Rita Moran,2015-08-12 Outside of Lovelock Nevada there is a cave with a mysterious legend associated with it The legend states that a mysterious group of red haired giants lived in the area and fought with the Pauite The Pauite exterminated them off after a final battle and the red haired giants retreated to the cave The Pauite set the cave on fire They believed they had killed off all the red haired giants but some may have escaped The author made a visit to this cave and the Nevada State Museum to get to the bottom of the story What follows is a curious tale of missing mummies connections to the Cronides connections to the Anasazi the Paracas culture clues to the Biblical giants and watchers and cover ups
