Walkowitz,2016-11-29 Bringing together leading critics and literary scholars A New Vocabulary for Global Modernism argues for new ways of understanding the nature and development of twentieth century literature and culture Scholars have largely understood modernism as an American and European phenomenon Those parameters have expanded in recent decades but the incorporation of multiple origins and influences has often been tied to older conceptual frameworks that make it difficult to think of modernism globally Providing alternative approaches A New Vocabulary for Global Modernism introduces pathways through global archives and new frameworks that offer a richer more representative set of concepts for the analysis of literary and cultural works In separate essays each inspired by a critical term this collection explores what happens to the foundational concepts of modernism and the methods we bring to modernist studies when we approach the field as a global phenomenon Their work transforms the intellectual paradigms we have long associated with modernism such as tradition antiquity style and translation New paradigms such as context slum copy pantomime and puppets emerge as the archive extends beyond its European center In bringing together and reexamining the familiar as well as the emergent the contributors to this volume offer an invaluable and original approach to studying the intersection of world literature and modernist studies **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **Kitawa Literary Fragments** Giancarlo M. G. Scoditti,2025-03-31 The Nowau oral texts collected in this volume were recorded by Scoditti during the several years of fieldwork on Kitawa Island Papua New Guinea devoted mainly to understanding the mental mechanisms followed by the image creators that are the makers of the kula ceremonial canoes the poets the magicians the female and male singers who perform a poetic text orally written by a poet to an oral score composed by a musician With these early works Scoditti identifies within Kitawa culture a clear distinction between the

author and the performer interpreter of a given oral text be it a verbal and a non verbal one a distinction that has called into question the hypothesis that in a culture that does not know or use any form of phonetic writing a text is composed at the time of its performance so that composition and performance would coincide A first result of his interpretation is Kitawa A linguistic and aesthetic analysis of visual art in Melanesia 1990 De Gruyter Mouton then by Kitawa oral poetry An example from Melanesia 1996 ANU Press Notes on the cognitive texture of an oral mind Kitawa a Melanesian culture 2012 Sean Kingston Publishing and now Kitawa Literary Fragments How Storytelling Shapes Spacetime in a Melanesian Matrilineal Culture
