Poems from the Heart Jill Renee Grimm,2016-03-11 I didnt decide to write a poetry it just came to me I have always loved poetry and literature Poetry expresses the emotions inside of us that we cant express to a person rather it be love sadness disappointment or remorse Poetry is the words that makes our hearts feel but also teaches us others whom listens to the poems I believe in teaching children at a young age to express with words I believe totally in communication in a marriage or relationship for when we hold it so much inside so why not write what I feel if I cant tell a person I write of love for I have love Love from God even if the neighbor hates me I write of love I believe most f writing I express in words comes from being the third child I was shy as a child and in my marriage I never got to speak the way I felt never was important towards the end of my marriage so I just shut down and wrote The Caring Cancerian Therrie Rosenvald,2001 The Cancerian planet is the Moon and in ancient time the Moon was considered the Mother of the Heavens It is also associated with fertility and indeed many Cancerians marry at an early age and take great delight in procreating Soon Cancerians are proud parents of an impressive number of offspring A humorous look at the caring Cancer personality Find out what makes Cancerians tick What are their ambitions the most suitable careers and what kinds of lovers

do they make This full color and wonderfully illustrated Astrology book is the perfect gift for the Cancer in your life for their birthday as a Christmas present or a small gift for Valentine's Day A small price for 36 pages full of fun and giggles

Waiting for Messiah Rainbow Chang, 2021-03-11 The pandemic of the 2020 Easter season has been seen as transformative for human life However the transformation that modern science will bring into human life is even more fearfully exciting in the big picture of human history The pandemic triggered a deep urgency in the author to question the Easter story in light of frontier science When death is near us we often think more about life and truth and are filled with the urge to experience them both In the Christian story God was born died and was resurrected on earth ascended into heaven from earth and will bring the kingdom of God on earth What will be the continuation of our Easter story if the earth is no longer our home What's the real meaning of the resurrection of the dead in his return if modern science has achieved everlasting life before his return In this book the questioning of truth is blended with a deep faith in the truth It shows that waiting for the Messiah is not a stilled life putting the future on pause but a dance of life For the characters of this book the dance of life in lockdown in a small town did not block their awareness of hunger violence and injustice happening in the world or limit their vision for the kingdom of God That could be said about millions of lives at the time of Easter 2020 as millions of people have given their lives for others Remembering the Easter of 2020 is remembering you
