Loves' Loss Unforgiven Daniel Jenner,2001-11-01 **Decisions of Love** Daniel Jenner,2006-08 A fire nigh on to extinguished has in its smoldering embers both the warmth of kindled memories as evidence that it once burned brightly and the potential for all consuming combustion **Unforgiven** Jay Crownover,2020-02-25 From the New York Times bestselling author of the Marked Men series comes an irresistible and suspenseful romance between a tough Texas Ranger and his first love a woman in danger who insists she doesn't need his protection Hill Gamble is a model lawman cool and collected with a confident swagger to boot Too bad all that Texas charm hasn't gotten him anywhere in his personal life especially since the only girl he ever loved has always been off limits But then Hill is assigned to investigate her father's mysterious death and he's forced back to the town and the woman he left behind When Hill left Loveless he broke Kody Lawton's already battered heart And now that he's working on her father's case avoiding him is impossible She can handle Hill and her unwanted feelings until he puts his life on the line to protect her Suddenly Kody realizes that Hill could be taken away from her for good Crownover delivers the goods Lori Wilde New York Times bestselling author Crownover writes cowboys that make you want to pack your bags in search of a small town ranch Melissa Foster New York Times bestselling author Includes the bonus novella Cowboy to the Rescue by A J Pine **Flirting with Universalism, 2nd Edition** Dennis Jensen,2024-07-16 It's likely the most difficult problem in the Christian faith It was a major reason that Bertrand Russell John Stuart Mill and countless others rejected Christianity It was an ax that began to chip away at Charles Darwin's early faith How could he accept that some of his closest relatives and loved ones would be spending an eternity in agonizing torment Yet the Christian doctrine of an everlasting hell of unmitigated pain turns out to be completely unwarranted biblically A close examination of the Bible demonstrates this but it also rejects any form of universalism that trivializes personal obligations to God The first edition of *Flirting with Universalism* looked at the biblical and philosophical evidence behind the various Christian views of the afterlife of those who reject their God universalism eternalism or traditionalism and annihilationism The second edition covers additional important arguments It concludes by taking a position between universalism and traditionalism God will forever honor the final choices of those who reject God and yet in the end all things will be reconciled to God The Bible affirms the goodness justice and love of God *The Unforgiving Minute* Jerome Reyer,2000-07-21 Robert Boyd a successful management consultant sells his business for a large sum of money He soon realizes that even with all the money he has received he is not happy and does not feel fulfilled He withdraws a million dollars from the bank and decides to leave for Europe to find himself He leaves three letters as he leaves One is to his wife and the others are to two mistresses We soon find that his life is a tangled web of deception The book flashes back to his relationship with his wife and the two other women and is interwoven with adventures involving new women and new deception on his trip to Europe It delves deep into his thoughts and deep into a man that really has not found his way He knows that he has trouble dealing with women and

alcohol and cannot find a way to stop The book winds toward the climax of his trip and in an epilogue takes us from 1985 to the present **Loving Reflections on the Complexity of God** William Dunn, 2012-02-01 Why does God allow disasters

Why does evil exist What is it like to encounter God's judgment What is the nature of time What is our part in God's creation Do we have free will Love is God's foundation God's very essence We were created by God as an object for His love The creation of the universe was an act of love intended to create more love We are created to love God and God's creation most especially one another Love always leads to God God Who is all love values only the love in His creation Such is God's love for us that He seeks us unrelentingly obsessively He calls and guides and nudges and turns by force of circumstances all those who do not yet love Him He spares no effort He never gives up The One Who loves us all wants us to love those He loves A powerful forgiveness is available to us all God wants as many of us as possible to arrive in heaven with a heart filled with love for God and one another and all of our sins forgiven *The London and Paris ladies' magazine of fashion, ed. by*
