**History of the Low Countries** J. C. H. Blom, E. Lamberts, 2006-06-01 The history of the smaller European countries is rather neglected in the teaching of European history at university level We are therefore pleased to announce the publication of the first comprehensive history of the Low Countries in English from Roman Times to the present Remaining politically and culturally fragmented with its inhabitants speaking Dutch French Frisian and German the Low Countries offer a fascinating picture of European history en miniature For historical reasons parts of northern France and western Germany also have to be included in the Low Countries a term that must remain both broad and fluid a convenient label for a region which has seldom if ever composed a unified whole In earlier ages it was even more difficult to set parameters again reflecting Europe as a whole when tribes and kingdoms stretched across expanses not limited to the present states of Belgium Luxembourg and the Netherlands Nevertheless its parts did demonstrate many common traits and similar developments that differentiated them from surrounding countries and lent them a distinct character Internationally the region often served both as a mediator for and a buffer to the surrounding great powers France Britain and Germany an important role still played today as Belgium and the Netherlands have increasingly become involved in the broader process of European integration in which they often share the same interest and follow parallel policies This highly illustrated volume serves as an ideal introduction to the rich history of the Low Countries for students and the generally interested reader alike

The Low Countries: A History Anthony Bailey, 2016-03-29 Here from British historian and New Yorker senior writer Anthony Bailey is the dramatic story of the Low Countries Belgium the Netherlands and Luxembourg from the early days of nomads and barbarian invaders to the birth of towns and cities to the rise and decline of world prominence and finally to the dark and tragic days of World War II

The Low Countries and the New World(s) Johanna C. Prins, 2000 The Low Countries and the New World(s) is a collection of specialized studies in the Netherlandic field covering topics in Dutch Literature Linguistics History and Art History This volume focuses on the tradition of travel exploration and discovery of new worlds by the Low Countries throughout history In the process the Low Countries have reflected on their own character expanded their experience by exploring other cultures and built small outposts of that culture in many places

The Low Countries and the Hundred Years' War Henry Stephen Lucas, 1929

**A Dictionary of Sexual Language and Imagery in Shakespearean and Stuart Literature** Gordon Williams, 2001-09-13 Providing an alphabetical listing of sexual language and locution in 16th and 17th century English this book draws especially on the more immediate literary modes the theatre broadside ballads newsbooks and pamphlets The aim is to assist the reader of Shakespearean and Stuart literature to identify metaphors and elucidate meanings and more broadly to chart through illustrative quotation shifting and recurrent linguistic patterns Linguistic habit is closely bound up with the ideas and assumptions of a period and the figurative language of sexuality across this period is highly illuminating of socio cultural change as well as linguistic development Thus the entries offer as

much to those concerned with social history and the history of ideas as to the reader of Shakespeare or Dryden *Travels Through the Low Countries* John Ray, 1738 **Scotland and the Low Countries 1124-1994** Grant G. Simpson, 2021-11-01 This collection of essays presents historical approaches to the links which have existed for over 800 years between Scotland and one of the areas of continental Europe closest to her the Low Countries Topics include Flemish settlers in twelfth century Scotland the Count of Holland who claimed the Scottish throne in 1291 the Flemish aspect of the Auld Alliance with France the view of Scotland taken by a Netherlands born chronicler Jean Froissart Scotland's late medieval involvement in diplomacy with Guelders and in wool exports to the Netherlands the contacts of Scottish patrons with Netherlandish painters in the 15th and 16th centuries Scots pursuing military careers and studies in the arts and law in the Low Countries in early modern times parallels between Belgian Art Nouveau painting and the work of some Glasgow artists around 1900 comparisons between Scotland and the Low Countries in the 20th century in the realms of social housing and oil exploration These varied studies add detailed background to the subject of Scotland within Europe a question now much debated This volume is the third in the Mackie Monographs series based on the Mackie Symposia held in the University of Aberdeen which have as their theme the historical study of Scotland's overseas contacts **Calendar of State Papers, Foreign Series, of the Reign of Elizabeth: Jan. 1581-Apr., 1582** Great Britain. Public Record Office, 1907 **The Manuscripts of the Right Honourable F. J. Savile Foljambe, of Osberton** Great Britain. Royal Commission on Historical Manuscripts, Francis John Savile Foljambe, 1897 Logbook of the Low Countries Wout van der Toorn, 2015-03-17 A chronicle of their historic moments set against events in world history featuring highlights from art and science and illustrated with famous quotations Acts of the Privy Council of England Great Britain. Privy Council, 1897 **A Catalogue of the Manuscripts in the Cottonian Library, Deposited in the British Museum** British Museum (London), 1802 **English Warfare, 1511-1642** Mark Charles Fissel, 2001 An examination of a period of warfare much overshadowed by the Civil War which reveals why in spite of the absolutist pretensions of the monarchy a militarist state failed to develop in the 84 years before Edgehill The Cinema of the Low Countries Ernest Mathijs, 2004 Films from the Netherlands Belgium and Luxembourg have long been regarded as isolated texts The Cinema of the Low Countries points to the interconnectedness between these national cinemas from the point of view of genre language and format and their local and international importance by explicitly focusing on 24 key feature films and documentaries from the region Building on each film's relationship with its particular cultural context this volume presents twenty four specially commissioned essays that explore the particular significance and influence of a wide range of exemplary films Covering the work of internationally acclaimed directors such as Joris Ivens Henri Stock Paul Verhoeven and the Dardenne Brothers and featuring the films Turkish Delight The Vanishing Daughters of Darkness Rosetta Soldiers of Orange and Man Bites Dog this collection offers an original approach to the appreciation of a diverse and increasingly important regional cinema **A Catalogue of the Manuscripts in the Cottonian Library, Deposited in the**

**British Museum** British Museum (London),1802      *The Low Countries* Cornelia Spencer,1949 Brief histories and descriptions of three western European countries known for their neutrality      *The Camden Miscellany* ,1871      **Shaping the Stranger Churches** Silke Muylaert,2020-10-20 In *Shaping the Stranger Churches* Migrants in England and the Troubles in the Netherlands 1547-1585 Silke Muylaert explores the struggles confronting the Netherlandish churches in England when they engaged with or disengaged from the Reformation and the Revolt back in their homeland The churches were conflicted over the limits of religious zeal and over political loyalty How far could Reformers go to promote their faith without committing sin How much loyalty did they owe to Philip II and William of Orange While previous narratives ascribe a certain radicalism to the foreign churches Muylaert uncovers the difficulties confronting expatriate churches to provide support for Reformed churches or organise resistance against authorities back home      **Calendar of State Papers, Foreign Series, of the Reign of Elizabeth** Great Britain. Public Record Office,1870      *Legend of the Wars of Montrose* Walter Scott,2019-08-07 Against the background of Montrose's campaign of 1644-5 this spirited novel centres on one of Scott's most memorable creations Sir Dugald Dalgetty of Drumthwacket This hard-headed Aberdonian contrasts tellingly with the weird and passionate Highland feud in which he becomes perilously entangled as the narrative moves from Dalgetty's unflinching encounter with the Duke of Argyll to his dramatic escape from Inveraray Castle to the battle of Inverlochy The Edinburgh Edition respects Scott the artist by restoring versions of the novels that are not quite what his first readers saw Indeed it returns to manuscripts that the printers never handled as Scott's fiction before 1827 was transcribed before it reached the printshop Each volume of the Edinburgh edition presents an uncluttered text of one work followed by an Essay on the Text by the editor of the work a list of the emendations that have been made to the first edition explanatory notes and a glossary The editorial essays are histories of the respective texts Some of them are almost 100 pages long when they are put together they constitute a fascinating and lucid account of Scott's methods of composition and his financial manoeuvres This edition is for anyone who takes Scott seriously The Times Literary Supplement
