

A close-up photograph of a hand reaching up to pluck a ripe, red fruit from a tree branch. The branch is covered in green leaves and several other red fruits. The hand is positioned to grasp the fruit, which is hanging low. The background is filled with more foliage and fruit, creating a dense, green texture.

Learned Helplessness (2004) Robert H. Frank, 2004 *Learned Helplessness* Colonel Vaughan Witten, Ph.D., 2021-08-06 Learned Helplessness The Poison Pill Threat to Black America By Colonel Vaughan Witten Ph D Learned Helplessness The Poison Pill Threat to Black America discusses the self destructive behavior of the American Black male his delusional belief of victimization by a white society as the primary reason for his failure to acclimate and succeed in today s capitalistic America This engrained worldview thereby sufficiently blinds him and the general Black culture to the concept that discipline sacrifice and industry are their only escape from their dilemma instead of their rearview blame pity and destructive behavior This helplessness learned and absorbed in their psyche negates any macro attempt to thrive as an independent self sufficient and competitive subculture in America

**Picking the Low Hanging Fruit** James Sudakow, 2016-03-02 Are you interested in baking someone into a process at work Leading a paradigm shift Or maybe you just feel like drilling down after a nice data dump so you can flesh out a straw dog to help everyone get their ducks in a row and sing from the same song sheet Whether you understood any of that or had no idea what you just read you ve probably heard these expressions lobbed around the corporate world with some regularity What does all of this mean In meetings on his first job out of college James Sudakow found himself struggling to pick up a bizarre new language corporate speak He pretended to know what they were saying but in actuality he had no idea what expressions like singing from the same song sheet or picking the low hanging fruit meant or why strange phrases like these were being used to talk about business operations Had he missed something important in his education that would have prepared him for this With time Sudakow adapted to the language and much to his own embarrassment he found himself actually using many of these same expressions For his own sanity he came up with a plan to combat this corporate speak language and it all started with a whiteboard in his office He listed all of the words and phrases his colleagues even superiors were not allowed to use in his office less they allowed themselves to be subjected to some form of office hazing I wondered if we all knew how ridiculous we sounded using these generally weird phrases instead of just speaking in plain English Sudakow says I wanted to call attention to the way we were all communicating and see if we could change it Ironically not only did his experiment not deter their use of any of the expressions on his whiteboard Sudakow found that his colleagues put up with the hazing with seemingly far too much enjoyment and also began to actually if not enthusiastically add additional phrases to his whiteboard taking great pride in their contributions That whiteboard became the premise for his new book *Picking the Low Hanging Fruit and Other Stupid Stuff We Say in the Corporate World* a humorous corporate glossary that sheds an irreverent light on the weird things we say in the corporate world every day
