Lucia Joyce:

Lucia Joyce Carol Shloss,2003 Publisher Description *Lucia Joyce* Carol Loeb Shloss,2005-06 This account of Lucia Joyce daughter of James Joyce explores the relationship between them as well as their deep creative bond Even after emotional turmoil wrought havoc with her sanity her father still saw her life as one lived in tandem with his own **Lucia Joyce** Carol Loeb Shloss,2005-03-01 Whatever spark or gift I possess has been transmitted to Lucia and it has kindled a fire in her brain James Joyce 1934 Most accounts of James Joyce s family portray Lucia Joyce as the mad daughter of a man of genius a difficult burden But in this important new book Carol Loeb Shloss reveals a different more dramatic truth her father loved Lucia and they shared a deep creative bond Lucia was born in a pauper s hospital and educated haphazardly across Europe as her penniless father pursued his art She wanted to strike out on her own and in her twenties emerged to Joyce s amazement as a harbinger of expressive modern dance in Paris He described her then as a wild beautiful fantastic being whose mind was as clear and as unsparing as the lightning The family s only reader of Joyce she was a child of the imaginative realms her father created and even after emotional turmoil wrought havoc with her and she was hospitalized in the 1930s he saw in her a life lived in tandem with his own Though most of the documents about Lucia have been destroyed Shloss painstakingly reconstructs the poignant complexities of her life and with them a vital episode in the early history of psychiatry for in Joyce s efforts to help her he sought the help of Europe s most advanced doctors including Jung In Lucia s world Shloss has also uncovered important material that deepens our understanding of *Finnegans Wake* the book that redefined modern literature *Lucia* Alex Pheby,2021-06-15 A GLOBE MAIL RECOMMENDED SUMMER 2021 READ She is about thirty three speaks French fluently she is gay sweet and ironic but she has bursts of anger over nothing when she is confined to a straightjacket writes James Joyce in one of the few surviving documents concerning his daughter A gifted dancer Beckett s lover an aspiring writer what little we know about Lucia Joyce effectively ends with a diagnosis of schizophrenia and subsequent hospitalization after her death her nephew Stephen executor of the Joyce estate burned her letters and medical records erasing her not only from her father s legacy but from her own existence in the world as well To tell the story of a life redacted Alex Pheby assumes not Lucia Joyce s lost voice but the perspectives of the men around her layering a series of narratives about those on the edges of her life to create a portrait of the lost woman in silhouette As much a critique of male violence and the long history of misogyny in women s health an in absentia illustration of the fate of inconvenient women as the story of a single life Lucia is an ethical and empathetic creative act and a moving in memoriam to a woman whose experiences we can only imagine *Lucia* Joyce Garvey,2017-11-10 *Lucia* The Girl who Danced in Shadows is a novel based on historical fact It is set in Northampton Asylum in England from 1951 to 1983 where Lucia Joyce daughter of James Joyce and Violet Gibson the woman who shot Mussolini spent the latter years of their lives It is a story of an incredible love It is a story of injustice It is a story of the fine line between sanity and madness but most of all it is a story of

the power of friendship and creativity of the joy of music and dance and art and of Lucia and Violet s plight having relinquished their bodies to hold on to their souls
