The Truth Behind the Lies Jaeson D. Rau, 2018-09-24 The TRUTH Behind the LIES is written by a man who had been arrested for promoting peace conscious awareness and living without government control Years later free from his prison and on a mission to find his beloved wife he finds refuge and an empty journal While writing about what he thinks caused World War III he makes the grim realization it was not up to the governments or military to make sure that mankind was peaceful It was up to each of us *Lucifer*, 1893 *Lucifer Ascending* Bill Ellis, 2014-10-17 Despite their centuries old history and traditions witchcraft and magic are still very much a part of modern Anglo American culture In *Lucifer Ascending* Bill Ellis looks at modern practices that are universally defined as occult from commonplace habits such as carrying a rabbit's foot for good luck or using a Ouija board to more esoteric traditions such as the use of spell books In particular Ellis shows how the occult has been a common element in youth culture for hundreds of years Using materials from little known publications and archives *Lucifer Ascending* details the true social function of individuals dabbling with the occult In his survey of what Ellis terms vernacular occultism the author is poised on a middle ground between a skeptical point of view that defines belief in witchcraft and Satan as irrational and an interpretation of witchcraft as an underground religion opposing Christianity *Lucifer Ascending* examines the occult not as an alternative to religion but rather as a means for ordinary people to participate directly in the mythic realm *Lucifer* D. B. Reynolds, 2016-11-18 EPIC Award Winner Montreal Quebec A charming city on the St Lawrence River historic sophisticated but beneath it all lies an extensive underground where treacherous vampires are plotting to seize the country *Lucifer Scuderi* is a vampire handsome and charismatic a powerful hunter of unusual skill who arrives in Montreal to take on the most important hunt of his life Someone has kidnapped the mate of Canada's ruling vampire lord and it's up to *Lucifer* to find him before his death sets off a crisis that could engulf the entire continent Eleanor Morel lost everything including the love of her life when she became a vampire But now twenty years later she's a trusted bodyguard to the Canadian lord Sophia and the only person Sophia can count on to lead the search for her endangered mate But what Eleanor doesn't know is that the special hunter she'll be working with is none other than her long lost love And he's demanding answers *Lucifer's* love for Eleanor burns as hot as his anger towards her for leaving him But they'll have to find a way to set history aside and work together if they're going to unravel the twisted betrayal that threatens not only Sophia and her mate but the whole continent Because the European vampires are on the move And if Canada falls the rest of North America could follow D B Reynolds is the RT and EPIC Award Winning author of the *Vampires in America* series of paranormal romance and an Emmy nominated television sound editor She lives in a flammable canyon near Los Angeles and when she's not writing her own books she can usually be found reading someone else's **Over Trails of Yesterday** Frank E.
