**The Oracles of Egypt** Amanda Romania,2019-07-10 Do you ever see an image on a book hear a sound while walking down the street or smell a scent carried by the breeze that makes you envision a whole other life What would you feel if that life were real You see yourself on the shores of the Nile as a priestess praying to the goddess Isis or witnessing your own trial at Salem or serving as Anne Boleyn s handmaiden at court This is exactly what happened to my friends and me After spending thousands of years and countless lifetimes trying to repair our sisterhood we finally had the chance to come together and restore our sacred contracts with Isis and with each other We had to go back We had to go back to the start of it all the creation of our sisterhood at Philae and its destruction two hundred years later Our story is one of betrayal ego and

thirst for power This is a murder mystery that would take almost two thousand years to solve Come on our journey and discover the power of sisterhood and the Divine Feminine For all my soul sisters we remember you always and forever

**What Remains of Her** Eric Rickstad,2024-04-16 A recluse believes he's found the reincarnation of his missing daughter in this thriller by the New York Times bestselling author of The Silent Girls Chilling and heartbreaking A twisty diabolical read Peter Swanson author of All the Beautiful Lies I won't say a word Cross my heart and hope to die Jonah Baum a professor of poetry at a local college in Vermont sees his ordinary life come tumbling down when his wife and young daughter vanish from their home No evidence of a kidnapping No sign of murder No proof that Rebecca didn't simply abandon her marriage Just Sally's crude and chilling drawings Jonah's little lies and the sheriff's nagging fears that nothing is what it seems For Sally's best friend Lucinda it's something else She trusts Sally not to just disappear not after they've shared so many secrets especially about the woods and what they saw there But she'll never tell No one would believe her anyway As the search for Rebecca and Sally intensifies and as suspicion falls on Jonah the disappearances become more relentlessly haunting than anyone can imagine Because what's seen in the light of day is not nearly as terrifying as what remains hidden in the dark Rickstad's best novel yet With shrewd and crafty skill he spins one taut and chilling psychological ride J D Barker internationally bestselling author of The Fifth to Die A dark disturbing and utterly immersive thriller set in rural Vermont that will trust me take over your life I was a hundred pages in before I even looked up Frightening and fantastic Catherine Ryan Howard USA Today bestselling author of The Liar's Girl

**Lucinda** Anthony Hope,1920

Everything is ready for the fashionable London wedding of the heroine and the son of a famous old diplomat But the bride has simply disappeared Circumstantial evidence points to the fact that an Italian is connected with the girl's disappearance The outbreak of war just at this time postpones the chase for years This novel by the author of The Prisoner of Zenda and Dolly Dialogues is much more closely related to reality in life and character than most other books One feels that Mr Hope is now writing to please his own ideals of the art of fiction rather than to amuse the crowd
