Margohot Keith Melo,2024-11-21 It's summer of 1899 and the state of Wyoming has been unresponsive for an  
increasingly alarming amount of time No mail nor telegram communication has ever been sent out or responsive which has  
prompted the United States Postal Inspection Service to investigate The inspector general has selected US Postal Inspector  
Jed Pluck from Boston Massachusetts to team up with another postal inspector named Louie Secoli to investigate these towns  
along the railroad The peculiarity of this case in contrast to others they had investigated previously is that the only evidence  
they have is a strange large black red feather sharp enough to slice through skin Leaving his family once again Jed hitches  
the train with Louie and they set off for Wyoming Upon arriving in Cheyenne they found Wyoming's capital deserted and  
covered in the very same peculiar feathers The next few towns along the railroad all share the same description no bodies in  
sight and covered in the same feathers Only one town along the railway has been spared from the disappearances  
Lemonstow a town near the Red Desert remains active but unaware of the fate of the other towns Fearing that Lemonstow  
would be the next town to be raided the two postal inspectors must solve the mystery of the strange creature and help the  
townspeople before Lemonstow becomes the next ghost town covered in feathers     **Ambition** ,1917     Pluck and Luck
