Barnhill, Natalie L. Smith, Brent D.

Oja, 2021-04-09 This textbook presents a comprehensive analysis of organizational behavior in sport organizations from a practitioner s perspective It covers issues related to managing employees and work teams as well as organizational structure and culture in sport The book has four sections Organizational Behavior in the Sports Industry Getting to Know Employees and Volunteers of Sport Organizations Work Groups and Teams and Understanding the Organization Each chapter begins with a practitioner interview describing a challenge that was overcome by their organization That example is used to highlight applicable theories and interventions used in the industry Additional examples or theories are discussed to provide students a broad picture of managerial issues in the sports industry and provide alternative approaches to intervention illustrated in the practitioner interview The case studies offer the opportunity to practice and apply the ideas to real world

scenarios in the sports industry Students using this book will gain an understanding of how managers and leaders apply theory to communicate with and engage employees to foster desired organizational cultures while being challenged to address common issues using cases and hypothetical situations The Power of Sociology Gudmundur Oddsson,Jenny M. Stuber,James Michael Thomas,2026-01-13 The Power of Sociology uses the study of social inequality as it relates to power the heart of sociology as a vehicle to survey the field Written explicitly from a cross cultural and comparative perspective it challenges students to see themselves as global citizens capable of affecting social change Using HyperStudio Ana Weston Solomon,1999-05-18 This self paced self instructional guide provides the user with all the instruction necessary to become an expert in the use of HyperStudio Users will learn how to combine text sound graphics and video quickly and easily to create professional multimedia projects and presentations This book is geared to be completed in 75 hours of study

The Extraordinary Brad Schaeffer,2021-08-31 Wesley Scott is a teenage boy with autism He lives within his own intimate realm of sensory overload dysfunction sometimes violence and fear of the outside world He describes himself as the only actor on a stage without a script We learn through Wes own words that he is a deep thoughtful young man but no one knows it Wes is unable to connect with anyone other than his father a captain in the Marine Corps He in turn adores his extraordinary son his Ex man as he fondly calls him When Captain Scott ships off to fight in the Middle East Wes is confused and senses foreboding in what it all means although he cannot express it to his family friends or teachers With his father overseas Wes finds himself further isolated in a world of Ords his dad s term for the ordinaries unlike his Ex son and a stranger in his own family His mother is distant and cold his high school brother resents the inordinate attention his autistic brother constantly steals from him and his twenty something sister has chosen to move away from it all to Manhattan The burden on the family gets exponentially worse when Captain Scott returns home wounded The family tries to cope as best they can but when his father succumbs to PTSD Wes must somehow make sense of all that has happened which is difficult for a teenager under normal conditions let alone one on the autism spectrum who s suddenly lost the only family member who ever really bothered to know him The Scotts seem on the verge of unraveling and Wes finds himself in a bewildering land of family turmoil How will Wes come to understand this tragedy And how will the family ever come to fill the void left by a father who understood what the rest have yet to discover that Wes is an extraordinary young man indeed And that all of us no matter how much the world seems to scorn our existence or has simply forgotten our pain have something extraordinary to offer and make that world a better place Extraordinary is not just the title of this book it s a description of the beauty within the pages **Human Agency in a Digital World** Marcus Fontoura,2025-12-23 This may be the first true AI era self help book not because we need help using technology but because we need help using it well It s about building the knowledge and the confidence to question to evaluate to choose Because understanding how algorithms work is the first step in making sure they work for us Human Agency in a Digital World is a book about reclaiming our role not as passengers but

as pilots in the fast moving journey of technological change Written by a computer scientist who is also a father a teacher and a lifelong student of how things work this book is a deeply personal and accessible guide to the systems shaping our lives and how we might shape them back We are surrounded by digital agents They suggest the next song answer our questions sort our emails recommend what to watch and often invisibly shape what we think But what do we know about them And how much power do we really have to question understand or even redirect their impact In this book Marcus Fontoura explores the hidden architectures of modern life from social media and search engines to cloud computing AI and quantum technologies uncovering both how they work and what they mean Drawing from decades of experience building the backbone of the internet and cloud platforms he demystifies the core concepts that govern today s systems and offers readers a way to develop digital fluency without needing a computer science degree But this is not just a book about machines It s a book about people about how we use efficiency not just to optimize for speed or cost but to unlock creativity opportunity and well being With examples ranging from broken playlists to protein folding and reflections that move fluidly between systems thinking and everyday life Digital Agency asks us to consider a simple but profound question what do we want technology to do for us and what will we do with it in return
