*The Missing Masterpiece* Jeanne M. Dams, 2017-09-01 Quelle horreur A French holiday leads to disaster for American Anglophilie Dorothy Martin in this engaging new cozy mystery When Dorothy Martin goes to France alone because Alan is stuck back home in Sherebury with a broken ankle she worries about her ability to get along in a language she barely speaks and in a country she hasn't seen for over fifty years But by the time Alan joins her a week later Dorothy has found herself embroiled in one mystery after another a woman drowning in quicksand a man suffering a near fatal fall in the abbey at Mont Saint Michel and a missing American archaeologist all seemingly connected to a monk named Abelard who has been dead for almost nine hundred years It isn't until another body is discovered that Dorothy's ability to think outside the box finally unravels the threads of a despicable scheme

*The Missing Masterpiece* Helen Girvan, 1965 Nan spends the summer with her Aunt Alice in Maine where she helps unravel the mystery of the stolen paintings from a gallery in Boston

**The Missing Masterpiece** Terrance Dicks, 1978 **Missing Masterpieces** Gert-Rudolf Flick, 2003 The author shines the spotlight on missing works of art revealing the lost treasure of paintings that have vanished over the centuries and the colorful human stories that accompany each

**The Lost Painting** Jonathan Harr, 2005-10-25 Told with consummate skill by the writer of the bestselling award winning *A Civil Action* *The Lost Painting* is a remarkable synthesis of history and detective story An Italian village on a hilltop near the Adriatic coast a decaying palazzo facing the sea and in the basement cobwebbed and dusty lit by a single bulb an archive unknown to scholars Here a young graduate student from Rome Francesca Cappelletti makes a discovery that inspires a search for a work of art of incalculable value a painting lost for almost two centuries The artist was Caravaggio a master of the Italian Baroque He was a genius a revolutionary painter and a man beset by personal demons Four hundred years ago he drank and brawled in the taverns and streets of Rome moving from one rooming house to another constantly in and out of jail all the while painting works of transcendent emotional and visual power He rose from obscurity to fame and wealth but success didn't alter his violent temperament His rage finally led him to commit murder forcing him to flee Rome a hunted man He died young alone and under strange circumstances Caravaggio scholars estimate that between sixty and eighty of his works are in existence today Many others no one knows the precise number have been lost to time Somewhere surely a masterpiece lies forgotten in a storeroom or in a small parish church or hanging above a fireplace mistaken for a mere copy Prizewinning author Jonathan Harr embarks on an spellbinding journey to discover the long lost painting known as *The Taking of Christ* its mysterious fate and the circumstances of its disappearance have captivated Caravaggio devotees for years After Francesca Cappelletti stumbles across a clue in that dusty archive she tracks the painting across a continent and hundreds of years of history But it is not until she meets Sergio Benedetti an art restorer working in Ireland that she finally manages to assemble all the pieces of the puzzle Praise for *The Lost Painting* Jonathan Harr has gone to the trouble of writing what will probably be a bestseller rich

and wonderful In truth the book reads better than a thriller If you're a sucker for Rome and for dusk you'll enjoy Harr's more clearly reported details about life in the city The New York Times Book Review Jonathan Harr has taken the story of the lost painting and woven from it a deeply moving narrative about history art and taste and about the greed envy covetousness and professional jealousy of people who fall prey to obsession It is as perfect a work of narrative nonfiction as you could ever hope to read The Economist

The Missing Masterpiece Irene Byers, 1957 The Mystery of the Missing Masterpiece Helen Moss, 2011-08-04 When thieves raid the house of a neighbour Emily Jack and Scott are ready to investigate But strangely the neighbour doesn't seem to want the thieves to be caught The burglars didn't escape with much this time but could the raid be connected to a much older crime involving millions of pounds The friends begin to uncover the truth but are they leading themselves into serious danger Mystery menace and adventure await in the fourth book of this gripping new series

Stealing The Scream Edward Dolnick, 2008 Two men in a stolen car skid to a halt in front of Norway's National Gallery Minutes later they roar off with Edvard Munch's work In desperation Norwegian police call on the detective Scotland Yard's enigmatic brilliant Charley Hill The hunt for The Scream will either cap his career or end in a fiasco that will dog him forever The Missing Masterpiece Hilaire Belloc, 1929 Set in early 20th century France this is the mystery of a stolen masterpiece that briefly appeared and then disappeared much to the chagrin of its artist and the purchaser who paid for its return three different times The Jeffersonian Transformation Henry Adams, 2006-09-19 A New York Review Books Original The ideal introduction and companion to Adams's massive and magisterial history of the administrations of Jefferson and Madison presenting an indelible picture of America's startling rise

to world power Henry Adams's nine volume History of the United States of America During the Administrations of Jefferson and Madison is the first great history of America as well as the first great American work of history one that rivals Gibbon's Decline and Fall of the Roman Empire in its eloquence and sweep But where Gibbon told of imperial collapse Adams recorded the rise of an unprecedented new power America which he shows beat nearly inconceivable odds to expand in a mere seventeen years 1800 to 1817 from a backward provincial outpost to an imperial power What made this transformation all the more unexpected was that it occurred under the watch of two presidents who were in principle dead set against it but whose policies promoted it energetically A masterpiece not only of research and analysis but of style and art Adams's history is a splendid coming of age story with romantic and even comic overtones recording a young nation's amazed awakening to its own unsuspected promise The Jeffersonian Transformation presents a new selection from Adams's History the first to bring together in one volume the opening and closing sections of the work with an introduction by the historian and political commentator Garry Wills The two sections of Adams's History included here present a bold picture of America before and after the Jeffersonian transformation Together they define the scope and argument of the History as a whole while raising still provocative questions about the relationship between American democracy and American empire

**Crimes of the Art World** Thomas D. **Masterpiece** Joseph Hilaire Pierre Belloc, 1930 **The Rescue Artist** Edward Dolnick, 2010-11-16 In the predawn hours of a gloomy February day in 1994 two thieves entered the National Gallery in Oslo and made off with one of the world's most famous paintings Edvard Munch's Scream It was a brazen crime committed while the whole world was watching the opening ceremonies of the Winter Olympics in Lillehammer Baffled and humiliated the Norwegian police turned to the one man they believed could help a half English half American undercover cop named Charley Hill the world's greatest art detective The Rescue Artist is a rollicking narrative that carries readers deep inside the art underworld and introduces them to a large and

colorful cast of titled aristocrats intrepid investigators and thick necked thugs But most compelling of all is Charley Hill himself a complicated mix of brilliance foolhardiness and charm whose hunt for a purloined treasure would either cap an illustrious career or be the fiasco that would haunt him forever    **Irish Statesman** George William Russell,1929
