*Missionary Maverick* Elmer Kilbourne, Edward Erny, 2009      *Missionary Maverick* Elmer Kilbourne, 1989-01-01  
Extraordinary tales of a missionary to China Korea Vietnam and India      **Missionary Maverick** Robert Goddard, 2021-07  
This account of forty years of missionary work in Paraguay and preparation for this career in the USA is a career and testimony to the faithfulness of God It is a very informative description of the practical obstacles and challenges of missionary work      **Jonathan Goble of Japan** Franklin Calvin Parker, 1990 This is a readable and entertaining account of the most colorful and eccentric missionary in nineteenth century Japan Jonathan Goble 1827 1926 Goble first visited Japan as a marine in Commodore Matthew C Perry's expedition of 1853 54 He won acclaim in the official Narrative of the Expedition for befriending the Japanese castaway Sam Patch After returning to Japan as a missionary of the American Baptist Free Mission Society Goble translated more than half the New Testament into Japanese His Gospel of Matthew is the oldest extant Scripture portion printed in Japan He preached to samurai and merchants to outcasts and the blind Goble led an exciting life not only as a missionary but also as an interpreter translator writer lecturer inventor merchant and builder He rubbed shoulders with Iwakura Tomomi prime minister Yamanouchi Yodo leading daimyo Iwasaki Yataro founder of the Mitsubishi financial empire and other notables Strong willed and prone to violence his maverick ways got him consigned to a Baptist limbo In this work the first biography of Goble his fascinating life illuminates the strange world of Christian missions in nineteenth century Japan      **The American Missionary**, 1922 Vols 13 62 include abridged annual reports and proceedings of the annual meetings of the American Missionary Association 1869 1908 v 38 62 include abridged annual reports of the Society's Executive committee 1883 84 1907 1908      **Facing West** David R. Swartz, 2020 In 1974 nearly 3 000 evangelicals from 150 nations met at the Lausanne Congress on World Evangelization Amidst this cosmopolitan setting and in front of the most important white evangelical leaders of the United States members of the Latin American Theological Fraternity spoke out against the American Church Fiery speeches by Ecuadorian Ren Padilla and Peruvian Samuel Escobar revealed a global weariness with what they described as an American style of coldly efficient mission wedded to myopic right leaning politics Their bold critiques electrified Christians from around the world The dramatic growth of Christianity around the world in the last century has shifted the balance of power within the faith away from the traditional strongholds of Europe and the United States to the Global South To be sure Western missionaries have carried religion abroad but the line of influence has often run the other way David R Swartz demonstrates that evangelicals in the Global South spoke frankly to American evangelicals on matters of race imperialism theology sexuality and social justice From the left they have pushed for racial egalitarianism ecumenism and more substantial development efforts From the right they have advocated for a conservative sexual ethic They forced American Christians to think more critically about their own assumptions The United States is just one node of a sprawling global network that includes Korea India Switzerland the Philippines Guatemala Uganda and Thailand Telling

stories of the diverse array of evangelicals around the world Swartz shows that evangelical networks don't only extend outward but back home from the ends of the earth
