Mississippian Communities And Households:

   Mississippian Communities and Households J. Daniel Rogers,Bruce D. Smith,Bruce David Smith,1995-11-30 During the Mississippian period approximately A D 1000 1600 in the midwestern and southeastern United States a variety of greater and lesser chiefdoms took shape Archaeologists have for many years explored the nature of these chiefdoms from the perspective common in archaeological investigations from the top down investigating ceremonial elite mound structures and predicting the basic domestic unit from that data Because of the increased number of field investigations at the community level in recent years this volume is able to move the scale of investigation down to the level of community and household and it contributes to major revisions of settlement hierarchy concepts   Reconsidering Mississippian Communities and Households Elizabeth Watts Malouchos,Alleen Betzenhauser,2021-04-20 Explores the archaeology of Mississippian communities and households using new data and advances in method and theory Published in 1995 Mississippian Communities and Households edited by J Daniel Rogers and Bruce D Smith was a foundational text that advanced southeastern archaeology in significant ways and brought household level archaeology to the forefront of the field Reconsidering Mississippian Communitiesand Households revisits and builds on what has been learned in the years since the Rogers and Smith volume advancing the field further with the diverse perspectives of current social theory and methods and big data as applied to communities in Native America from the AD 900s to 1700s and from northeast Florida to southwest Arkansas Watts Malouchos and Betzenhauser bring together scholars researching diverse Mississippian Southeast and Midwest sites to investigate aspects of community and household construction maintenance and dissolution Thirteen original case studies prove that community can be enacted and expressed in various ways including in feasting pottery styles war and conflict and mortuary treatments   **The Archaeology of Everyday Life at Early Moundville** Gregory D. Wilson,2008-01-28 Defines household composition and social relationships at Moundville   **Archaeology of Communities** Marcello-Andrea Canuto,Jason Yaeger both at,2012-11-12 Wide range of approaches and settings unlike other books on similar topics International appeal on America centered courses Appeal for courses such as landscape studies and settlement Some contributors with enormous reputations in this collection Joyce Isbell Marcus Preucel   *Mississippian Political Economy* Jon Muller,2013-11-21 This ambitious work offers a coherent and comprehensive look at the material conditions underlying and stimulating political development in southeastern North America during the Mississippian period After introducing theoretical issues Muller addresses reproduction production distribution and consumption within their social and material contexts Examined through the lens of the production distribution and consumption of prestige and staple goods a profoundly domestic though significantly differentiated Mississippian political economy emerges This study s broad synthetic view ensures that neither environment nor ideology are overemphasized A fine statement of an important theoretical position the volume features considerable graphic and tabular presentation of data   Ancient Households of the Americas John G.

Douglas,Nancy Douglas,2012-04-15 In Ancient Households of the Americas archaeologists investigate the fundamental role of household production in ancient colonial and contemporary households Several different cultures Iroquois Coosa Anasazi Hohokam San Agust n Wankarani Formative Gulf Coast Mexico and Formative Classic Colonial and contemporary Maya are analyzed through the lens of household archaeology in concrete data driven case studies The text is divided into three sections Section I examines the spatial and social organization and context of household production Section II looks at the role and results of households as primary producers and Section III investigates the role of and interplay among households in their greater political and socioeconomic communities In the past few decades household archaeology has made substantial contributions to our understanding and explanation of the past through the documentation of the household as a social unit whether small or large rural or urban commoner or elite These case studies from a broad swath of the Americas make Ancient Households of the Americas extremely valuable for continuing the comparative interdisciplinary study of households **Environmental Perceptions and the Construction of Community** Caru Bowns,2002 *The Arkansas Historical Quarterly* ,1997 List of charter members v 1 p 8 *The Turner and DeMange Sites (11-S-50) (11-S-447)* George R.
