## Miss Ravenels Conversion:

Miss Ravenel's Conversion from Secession to Loyalty John William De Forest, 2021-02-04 Lillie Ravenel is a teenage girl from Louisiana brought to the north by her loyalist father at the outbreak of the American Civil War. She is pursued by two contrasting suitors Captain Edward Colburne is a virtuous New Englander whose bland goodness makes him seem a perfect match for the uninspiring Miss Ravenel. Her second suitor Colonel John Carter is a native Virginian but loyal to the Union. Opposite to Colburne likes to drink and gamble but he is a man of honor and an admirable military officer. Friendship with these men of the North brings the change in her belief eventually converting her to the cause of the Union. She returns to New Orleans only to find herself shunned by her old circle of friends for having too many associations with the enemy. Civil War battles that Lillie's suitors go through are described as a bloody and inglorious hell.

*Miss Ravenel's Conversion from Secession to Loyalty* John W. De Forest, 2000-03-01 More panoramic in scope and more realistic in its details than Crane's *Red Badge of Courage* this is one of the first and best novels ever written about the American Civil War. Drawing on his own combat experience with the Union forces John W. De Forest crafted a war novel like nothing before it in the annals of American literature. His first hand knowledge of the wilderness of death made its way on to the pages of his riveting novel with devastating effect. Whether depicting the tedium before combat the unspoken horror of battle or the grisly butchery of the field hospital De Forest broke new ground anticipating the realistic war writings of Ernest Hemingway Norman Mailer and Tim O'Brien. A commercial failure in its own day De Forest's story was praised by Henry James and William Dean Howells who comparing it favorably to *War and Peace* acclaimed the book one of the best American novels ever written. For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world. With more than 1,700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators.
