The Publishers Weekly ,2001 **Publishers Weekly** ,1973-10 **Science Fiction Book Review Index** ,1973 **The American Humanities Index** Stephen H. Goode,1978 **The New York Times Book Review** ,1972-10 **The Video Source Book** David J. WEINER,1990 Bowker's Complete Video Directory , 1999 ,1999 **Variety's Complete Home Video Directory** ,1988 **Man of Taste** Rob King,2025-04-02

Radley Metzger was one of the foremost directors of adult film in America with credits including softcore titles like *The Lickerish Quartet* and the hardcore classic *The Opening of Misty Beethoven*. After getting his start making arthouse trailers for Janus Films, Metzger would go on to become among the most feted directors of the porno chic era of the 1970s, working under the pseudonym Henry Paris. In the process, he produced a body of work that exposed the porous boundaries separating art cinema from adult film, softcore from hardcore, and good taste from bad. Rob King uses Metzger's work to explore what taste means and how it works, tracing the evolution of the adult film industry and the changing frontiers of cultural acceptability. *Man of Taste* spans Metzger's entire life: his early years in Manhattan's Washington Heights neighborhood; his attempt to bring arthouse aesthetics to adult film in the 1960s; his turn to pseudonymously directed hardcore movies in the 1970s; and his final years, which included making videos on homeopathic medicine. Metzger's career, King argues, sheds light on how the distinction between the erotic and the pornographic is drawn, and it offers an uncanny reflection of the ways American film culture transformed during these decades. Lavishly illustrated with rare photos and publicity images, this book paints a vivid picture of a filmmaker who channeled his artistic aspirations into some of the most disreputable movie genres of his day.

The Comic Art Collection Catalog Michigan State University Libraries. Special Collections Division,1993. This is the most comprehensive dictionary available on comic art produced around the world. The catalog provides detailed information about more than 60,000 cataloged books, magazines, scrapbooks, fanzines, comic books, and other materials in the Michigan State University Libraries' America's premiere library comics collection. The catalog lists both comics and works about comics. Each book or serial is listed by title, with entries as appropriate under author, subject, and series. Besides the traditional books and magazines, significant collections of microfilm, sound recordings, vertical files, and realia (mainly T-shirts) are included. Comics and related materials are grouped by nationality (e.g., French comics) and genre (e.g., funny animal comics). Several times larger than any previously published bibliography list or catalog on the comic arts, this unique international dictionary catalog is indispensable for all scholars and students of comics and the broad field of popular culture.

Science Fiction, Fantasy and Horror Film Sequels, Series and Remakes Kim R. Holston, Tom Winchester,2018-01-12. Science fiction, fantasy, and horror movies have spawned more sequels and remakes than any other film genre. Following Volume I, which covered 400 films made 1931-1995, Volume II analyzes 334 releases from 1996 through 2016. The traditional cinematic monsters are represented: Dracula, Frankenstein, the Wolf Man, a new Mummy. A new wave of popular series inspired by comics and video

games as well as The Lord of the Rings trilogy could never have been credibly produced without the advances in special effects technology. Audiences follow the exploits of superheroes like Captain America, Iron Man, Spider Man, and Thor, and such heroines as the vampire Selene, zombie killer Alice, dystopian rebels Katniss Everdeen and Imperator Furiosa, and Soviet spy turned American agent Black Widow. The continuing depredations of Jason Voorhees, Freddy Krueger, and Michael Myers are described. Pre 1996 movies that have since been remade are included. Entries feature cast and credits, detailed synopsis, critics reviews, and original analysis. **American Book Publishing Record Cumulative, 1950-1977** R.R. Bowker Company. Department of Bibliography, 1978. Video Movie Guide 1998 Mick Martin, Marsha Porter, 1997. Reviews thousands of movies and rates each film according to a five star rating system and features cross indexing by title, director, and cast. **Xcursion** Howard Birnstihl, 2012-02. *Romance and the Yellow Peril* Gina Marchetti, 1994-02-15. Hollywood films about Asians and interracial sexuality are the focus of Gina Marchetti's provocative new work. While miscegenation might seem an unlikely theme for Hollywood, Marchetti shows how fantasy dramas of interracial rape, lynching, tragic love, and model marriage are powerfully evident in American cinema. The author begins with a discussion of D.W. Griffith's *Broken Blossoms*, then considers later films such as *Shanghai Express*, *Madame Butterfly*, and the recurring geisha movies. She also includes some fascinating forgotten films that have been overlooked by critics until now. Marchetti brings the theoretical perspective of recent writing on race, ethnicity, and gender to her analyses of film and television and argues persuasively that these media help to perpetuate social and racial inequality in America. Noting how social norms and taboos have been simultaneously set and broken by Hollywood filmmakers, she discusses the orientalist tensions underlying the construction of American cultural identity. Her book will be certain to interest readers in film, Asian women's, and cultural studies.
