## **Managing Social Policy:**

**Managing Social Policy** John Clarke, Allan Cochrane, Eugene McLaughlin, 1994-07-28 This innovative text offers an assessment of the role of management in the restructuring of social welfare in contemporary Britain In the transformation of the welfare state since the 1970s management has been accorded a central role New forms and ideas of management have had profound consequences for the organization and delivery of public services the political processes of policy formation systems of accountability and the experiences both of the recipients of services and of those working within public sector organizations Examining the significance of managerialism this book offers a unique insight into the current shaping of social welfare

**Introducing Social Policy** Cliff Alcock, Guy Daly, Edwin Griggs, 2014-06-06 The completely revised second edition of this highly respected textbook provides a comprehensive yet digestible and accessible introduction to the theoretical foundations development and crucial areas of contemporary concern in social policy and welfare Fully up to date it provides a concise but thorough overview of the context for the provision of social welfare in contemporary Britain and beyond Providing an integrated framework to highlight the relationships between theory policy and practice Introducing Social Policy examines social policy from a multi disciplinary perspective It therefore encourages a broad understanding of the importance of the subject within social policy itself as well in social work healthcare education and beyond

**The Sociology of the Caring Professions** Pamela Abbott University of Teesside, Liz Meerabeau University of Greenwich, 2020-09-23 This text provides students with a comprehensive introduction to the sociology of professions It covers social work probation nursing midwifery and health visiting and looks at key topics such as control and legal relationships the relationship of gender and care and the new managerialism

**The Sociology of the Caring Professions** Pamela Abbott, Liz Meerabeau, 1998 This text discusses the role of the caring professions and reforms in the welfare state assessing the impact on organizational roles and relationships It should be of value to those studying sociology social policy nursing and social work

**Gender, Culture and Organizational Change** Catherine Itzin, Janet Newman, 1995 major social political and economic transitions and analyzes what has been learned It also makes wider connections with women and trade unions in Europe and management development for women in the developing countries of Africa and Asia

**Rethinking Welfare** Iain Ferguson, Michael Lavalette, Gerry Mooney, 2002-07-09 I would encourage undergraduates students to read it for it does summarise well a classical Marxist analysis of social policy and welfare Social Policy The anti capitalist movement is increasingly challenging the global hegemony of neo liberalism The arguments against the neo liberal agenda are clearly articulated in Rethinking Welfare The authors highlight the growing inequalities and decimation of state welfare and use Marxist approaches to contemporary social policy to provide a defence of the welfare state Divided into three main sections the first part of this volume looks at the growth of inequality and social and environmental degradation Part Two centres on the authors argument for the relevance of core Marxists concepts in aiding our understanding of social policy This section includes

Marxist approaches to a range of welfare issues and their implications for studying welfare regimes and practices Issues covered include Class and class struggle Oppression Alienation and the family The last part of the book explores the question of globalization and the consequences of international neo liberalism on indebted countries as well as the neo liberal agenda of the Conservative and New Labour governments in Britain The authors conclude with the prospect of an alternative welfare future which may form part of the challenge against global neo liberalism     Experiencing Society and the Lived Welfare State

Pertti Haapala, Minna Harjula, Heikki Kokko, 2023-05-23 This open access book presents a new approach to the history of welfare state By applying the concepts of experiencing society and the lived welfare state the collection introduces theoretical methodological and empirical insights for bridging the everyday life and institutional structures The chapters analyze how the welfare state as a particular individual society relationship has become an integral part of living in the modern society With a long term perspective the chapters explore the experience of society which enabled the building and the resilience of a welfare state As the welfare state is not a universal model of social development but historically unique in different contexts the book broadens the focus from the Nordic countries to Southern Europe colonial Asia and post colonial South America This collection is essential reading for scholars and students in the social sciences and history as well as for policymakers and practitioners who face the contemporary and future challenges of the welfare states     **New**

**Managerialism, New Welfare?** John Clarke, Sharon Gewirtz, Eugene McLaughlin, 2000-09-28 New Managerialism New Welfare is a carefully integrated textbook that explores the continuing restructuring of the state and social welfare in the United Kingdom It combines studies of specific policy areas such as health education criminal justice local government with chapters that examine cross cutting themes and developments The book provides a thorough and critical reflection on New Labour s vision of the past and future of social welfare and public services in the construction of a modern society

Ka-Ho Mok, Maggie K. W. Lau, 2013-11-07 East Asia is at the heart of the global economic transformation and the countries of the region are witnessing rapidly changing labour markets alongside the pressure to cut production costs and lower taxes in order to become successful competition states These changes have resulted in increased welfare demands which governments organizations and agencies across the region have had to address This book examines welfare regimes in the Greater China region

encompassing mainland China Hong Kong Macao and Taiwan In so doing it explores the ways in which the rapid growth and internationalisation of the economy across Greater China is presenting new social policy challenges that governments social welfare organizations and agencies in the region are having to respond to Rather than simply describing and categorising welfare systems the contributors to this volume add to our understanding of how one of the major economic transformations of the contemporary era in East Asia is shaping welfare provision in the region In turn in this context of economic change they examine the new strategies and measures that have been adopted in order to reduce the heavy burden on the state in terms of welfare provision whilst also attempting to diversify funding and provision sources to meet the pressing welfare needs Based upon extensive fieldwork by leading scholars of social policy this book will appeal to students and scholars of Asian social policy comparative development and social policy social welfare and Chinese studies

**Social Policy and Social Change** Jillian Jimenez, Eileen Mayers Pasztor, Ruth M. Chambers, Cheryl Pearlman Fujii, 2014-02-26 The Second Edition of *Social Policy and Social Change* is a timely examination of the field unique in its inclusion of both a historical analysis of problems and policy and an exploration of how capitalism and the market economy have contributed to them The New Edition of this seminal text examines issues of discrimination health care housing income and child welfare and considers the policies that strive to improve them With a focus on how domestic social policies can be transformed to promote social justice for all groups Jimenez et al consider the impact of globalization in the United States while addressing developing concerns now emerging in the global village

Managing Social Issues Peter Leisink, Paul Boselie, Dian Marie Hosking, Maarten van Bottenburg, 2013-09-30 Western societies face complex social issues and a growing diversity of views on how these should be addressed The traditional view focuses on government and public policy but neglects the initiatives that non profit and private organizations and local

*Social Work in Times of Neoliberalism* Vishanthie Sewpaul, Dorothee Hölscher, 2004 Tracing the social political economic and ideological factors that have impacted the development of social work from both a global and a local perspective the authors identify the historical and contemporary conflicting and competing strands

*Managing Welfare Expectations and Social Change* Ka Ho Mok, Stefan Kühner, 2018-12-07 Much has been written about the challenges Asian governments face in response to rapid socio economic changes and the resulting social needs and welfare expectations Indeed heated debates have emerged when scholars in social development social welfare and social policy conducted more systematic comparative research related to the diverse policy measures adopted by Asian governments which welfare models or typologies best describe Asian cases after the 2008 global financial crisis how can contemporary social policy transformations in Asia be appropriately conceptualized are particular best practice examples evolving in Asia and if so can they be successfully transferred to enhance social welfare governance among Asian economies This book combines contributions that address Asian government responses in the light of the above questions In doing so it revisits the broad theoretical literature on policy transfer and provides empirical examples to explore the spread of ideas

social policies and programmes across Asia from varying analytical and methodological perspectives The chapters originally published as a special issue in the Journal of Asian Public Policy     The Trade Union Movement of Germany Richard Seidel,1928     Strategies to Combat Poverty in Latin America Dagmar Raczynski,1995 Strategies to Combat Poverty in Latin America emphasizes the importance of comprehensive social programs that coordinate all of the political technical economic institutional and management elements that make up the development process Key to a successful national strategy is developing the human resources and institutional capacity to effectively design carry out and evaluate social programs The role of decentralization and the private sector in combatting poverty is also examined     Industrial and Labour Information International Labour Office,1924     When Presidents are Great Marcia Lynn Whicker,Raymond A. Moore,1988     **Contemporary Issues in Criminology** Lesley Noaks,Mike Maguire,Michael Levi,1995 Policing crime poverty prison management these are just some of the key issues facing society today This book addresses such issues raising questions that should be of interest not only to academic criminologists but also to all those involved in the criminal justice system     **Impossible Jobs in Public Management** Erwin C. Hargrove,John C. Glidewell,1990 If you think your job is hopelessly difficult you may be right Particularly if your job is public administration Those who study or practice public management know full well the difficulties faced by administrators of complex bureaucratic systems What they don t know is why some jobs in the public sector are harder than others and how good managers cope with those jobs Drawing on leadership theory and social psychology Erwin Hargrove and John Glidewell provide the first systematic analysis of the factors that determine the inherent difficulty of public management jobs and of the coping strategies employed by successful managers To test their argument Hargrove and Glidewell focus on those jobs fraught with extreme difficulties impossible jobs What differentiates impossible from possible jobs are 1 the publicly perceived legitimacy of the commissioner s clientele 2 the intensity of the conflict among the agency s constituencies 3 the public s confidence in the authority of the commissioner s profession and 4 the strength of the agency s myth or long term idealistic goal Hargrove and Glidewell flesh out their analysis with six case studies that focus on the roles played by leaders of specific agencies Each essay summarizes the institutional strengths and weaknesses specifies what makes the job impossible and then compares the skills and strategies that incumbents have employed in coping with such jobs Readers will come away with a thorough understanding of the conflicting social psychological and political forces that act on commissioners in impossible jobs
